Whooping Cough.

I had a little boy who was nearly dead from an attack of whooping cough. My neighbors recommended Chamberlain's Cough Remedy. I did not think that any medicine would help him, but after giving him a few doses of the remedy I noticed an improvement, and one bottle cured him entirely.

A SENSIBLE HEIR.

He Was Anxious to Keep Faith in Spite of Money.

A pretty story is told of a young clerk in a dry goods store who has recently come into possession of a large fortune through the favor of an old gentleman distantly related to him, says the Youth's Companion.

The young fellow listened with amazement to the news imparted to him by his employer and the old gentleman's executor one afternoon.

"I suppose I must not expect your services as clerk any longer," said the dry goods merchant, with a smile. "I shall be sorry to lose you."

"Oh, I shall stay my mouth out, of course, sir," said the boy promptly. "I shouldn't want to break my word just because I've had some money left me."

The two older men exchanged glances. The money referred to was nearly \$300,000.

"Well," said the lawyer, stroking his mouth to conceal his expression. "I should like an hour of your time between ten and four to-morrow, my young friend, as it will be necessary for you to read and sign some papers."

"Yes, sir," said the clerk. "I always take my lunch at a quarter before 12 I'll take that hour for you instead to-morrow. If I eat a good breakfast, I can get along all right till six o'clock."

The two men again exchanged glances, but neither said a word to spoil the boy's unconsciousness that he was taking his good fortune in an unusual way.

"Well," said the lawyer, when the door had closed on the modest heir to thousands, "all I can say is, if that boy ever uses his money to anybody's disadvantage, I miss my guess! And the year that has elapsed since then has gone to prove the truth of his words."

Veneer Cutting.

Veneer cutting has reached such perfection that a single elephant's tusk, 30 inches long, is now cut into a sheet of ivory 150 inches long and 20 inches wide.—Cincinnati Enquirer.

Prosaic Discouragement.

Double suicides have received a setback in France. A young man fired two bullets from a revolver into the body of his mistress and then shot himself without killing either. The woman sued for damages and recovered a verdict for 2,000 francs.

A Clever Trick.

It certainly looks like it, but there is really no trick about it. Anybody can try it who has lame back and weak kidneys, malaria or nervous troubles. We mean he can cure himself right away by taking Electric Bitters. This medicine tones up the whole system, acts as a stimulant to the Liver and Kidneys, is a blood purifier and nerve tonic. It cures constipation, headache, fainting spells, sleeplessness and melancholy. It is purely vegetable, a mild laxative, and restores the system to its natural vigor. Try Electric Bitters and be convinced that they are a miracle worker. Every bottle guaranteed. Only 50c a bottle at Blakeley & Houghton's drug store.

Many old soldiers now feel the effects of the hard service they endured during the war. Mr. Geo. S. Anderson, of Roessville, York county, Penn., who saw the hardest kind of service at the front, is now frequently troubled with rheumatism.

"I had a severe attack lately," he says, "and procured a bottle of Chamberlain's Pain Balm. It did so much good that I would like to know what you would charge me for one dozen bottles." Mr. Anderson wanted it both for his own use and to supply it to his friends and neighbors, as every family should have a bottle of it in their home, not only for rheumatism, but lame back, sprains, swelling, cuts, bruises and burns, for which it is unequalled. For sale by Blakeley & Houghton.

I have been a sufferer from chronic diarrhoea ever since the war and have used all kinds of medicines for it. At last I found one remedy that has been a success as a cure, and that is Chamberlain's Colic, Cholera and Diarrhoea Remedy.—P. E. Grisham, Gaars Mills, La. For sale by Blakeley & Houghton.
