We wish that persons putting ads in the CHRONICLE would write them correctly and there would be no necessity for them to go to another paper to have the error corrected. We pride ourselves on doing correct work and do not wish to be charged up with the mistakes of others.

Lawrence Manning who intended to give a musical in this city last evening evidently feared that his venture would not pay and left without ceremony. As we have had a number of good shows recently it would have been almost an utter impossibility for him to draw a house and he seemed to have realized that fact.

Miss Edith Baum, of Portland, the accommodating and competent operator of the Western Union Company came up from Portland yesterday and took the place of T. W. Two traveling acrobats arrived in the city yesterday and last evening gave a performance on the square on Second and Court streets. The performance was very good and a large crowd was entertained. The only recompense received was what they got when the hat was passed around, which we daresay was sufficient to keep them until they reach another station.

SUICIDED IN THE COLUMBIA.

An Unknown Man Jumps From the Steamer Sarah Dixon and Makes the River His Grave.

Among the passengers who boarded the Sarah Dixon yesterday morning at Portland was a man who evidently had become tired of this life, and soon made up his mind to end his struggles by drowning himself in the seething waters of the Columbia river.

He was a middle-aged man, about 5 feet, 8 inches in height, dark grey eyes, dark hair, sprinkled with grey; he wore about a week's growth of whiskers, and his mustache was inclined to be dark. He appeared to be a laboring man, but was very slim and sickly looking, and certainly not able to work very hard. Those who noticed him particularly say that he acted strangely, and moved about the boat as if somewhat dazed.

About midway between Warrendale and McGowan's cannery he was noticed to go aft, descend the ladder, and before his intention was surmised by the few who saw him, jumped overboard.

The water seemed to revive him, and he appeared to start for shore, as if regretting the rash act and still clinging to life; but his efforts were vain. As soon as the cry of "Man overboard!" was heard, boats were lowered and every effort made to rescue him; but he sank before aid could reach him, and his body was carried away by the waves.

His hat was left on the step, and in it was found a ticket to The Dalles; but no clew to his name nor anything regarding the man could be found.

Patriotic Exercises at Boyd.

We hail thee, O flag of our nation!
Emblem of liberty!
A voice from lands where tyrants rule
Is pleading for help from thee.

Loved emblem of our native land,
We pray that victory
May add fresh laurels to thy glory, won
In the name of humanity.

A flag will be raised on the Liberty schoolhouse on Saturday afternoon, May 28th. Brief addresses will be given by Fred W. Wilson and Bernie E. Sellick on "The Flag of Our Country," which will be followed by a short program of patriotic songs and recitations by the school children, after which the flag will be raised.

All persons who may wish to attend are cordially invited.

Yesterday afternoon Mrs. S. L. Brooks entertained the members of the ladies' Aid Society of the Congregational church, and with them a number of the ladies of the Good Intent Society of the Methodist church. A most pleasant time was spent in social converse, and an interesting game had been arranged by the hostess, which the guests seemed to enjoy to the fullest extent. Ice cream and cake were served, and altogether the afternoon was one of the pleasantest imaginable.

INTERESTING EXPERIENCE

Of an Iowa Lady Who Was Cured of Dyspepsia After Suffering for Twenty-Five Years.

Mrs. Sarah A. Skeels, an estimable lady residing at Lynnville, Jasper Co., Iowa, was for twenty-five years a sufferer from dyspepsia, and her complete restoration to health is so remarkable that we present the facts in the case for the benefit of our readers, many of whom have doubtless suffered in the same manner, and will, therefore, be interested in learning how all stomach troubles may be avoided and cured. Mrs. Skeels says: I used only one package of Stuart's Dyspepsia Tablets and I received such a great and unexpected benefit that I wish to express my sincere gratitude. In fact, it has been six months since I took the medicine and I have not had one particle of distress or difficulty since. And all this in the face of the fact that the best doctors I consulted told me my case was incurable as I had suffered for twenty-five years. I want half a dozen packages to distribute among my friends here, who are very anxious to try this remedy.

Truly yours,
MRS. SARAH A. SKEELS.
The reason why Stuart's Dyspepsia Tablets are so successful in curing indigestion and stomach trouble and the reason why it never disappoints those who need it and use it is because nothing is claimed for it except what it will actually perform. It is not a cure-all and no such claims are made for it. It is prepared for the sole purpose of curing Dyspepsia and the various forms of indigestion.

There is scarcely a patent medicine made but what is claimed to cure dyspepsia as well as a hundred other troubles. When, as a matter of fact, a remedy to cure dyspepsia must be prepared especially for that and nothing else; and among all the remedies, patent nostrums, bitters, etc., so extensively advertised you will find that Stuart's Dyspepsia Tablets is the only one advertised as a cure for dyspepsia and nothing else. The remedy is prepared by the Stuart Co., of Marshall, Mich., and for sale by all druggists at 50 cents per package, and if you suffer from any form of stomach derangement or indigestion, a trial will not disappoint you. A little book on stomach troubles mailed free. Address Stuart Co., Marshall, Mich.
