There will be no services of any description in the Congregational church today, on account of the condition of the building, which is undergoing repairs.

As there will in all probability be another call for volunteers, our patriotic Dalles boys are organizing a second company. At present about 30 young men have joined.

Mrs. E. Boyle, aged 62 years, mother of J. M. Babington, of Stevenson, Wash., died in this city Saturday, May 14th. The funeral will take place at the church of Christ, today at 11 o'clock.

The Columbia Candy Factory has opened under the new management, and will be run in a first-class manner. A fair share of the public patronage is solicited. Notice the add in another column.

A. M. Kelsey returned last evening on the Dalles City from a trip to Hood River. While there he purchased twenty-five pounds of maple sugar, which was just received from the South. He declares it is delicious.

Members of the Woman's Relief Corps should not fail to attend the meeting at the K. of P. hall on Monday afternoon at 2 o'clock. A drill will be practiced and other matters of importance attended to in connection with the encampment.

The La Grande Chronicle says that firemen's tournament will be held at La Grande next month, no matter what the directors of the association may do. The by-law in regard to holding of the tournament is mandatory and the directors have no power to change the by-laws.

Fred Clark returned last evening from camp Mc Kinley, he being among the Dalles boys who failed to pass examination. He states the majority of our boys passed the examination. He and F. S. Fouts of this place being the only ones rejected so far. The former lacked six pounds in weight while Mr. Fouts was rejected on account of heart trouble.

Yesterday morning sixteen Dalles young ladies, under the care of Miss Jessie Fisher and Miss Cassie M. Cheese, boarded the Regulator for an excursion to the locks, where they remained until the Dalles City was ready to proceed to The Dalles when they returned home. All enjoyed the outing immensely and are anxious to join in a like trip at any time.

Company A, Third battalion, Oregon National Guards, met last night, after several months' inactivity, and effected a new organization. Captain Y. C. Brock, who was the first captain of the company, was again elected. William Henricks will be first lieutenant, and B. L. Taylor second lieutenant. It is a course of considerable gratification to the people of Sherman county to see the boys begin to awaken to the realization that the country may need their service.

Whitman county officers yesterday received a request from the court officers of Adams county for the immediate return of A. J. Symes to the jail in that county. Symes is in Colfax awaiting a decision on his appeal to the supreme court. He was convicted of manslaughter last December, and sentenced to 18 years in the penitentiary. He was tried for the murder of Constable Conlee in 1895, and found guilty of murder in the first degree. A second trial resulted in a verdict of murder in the second degree and he was sentenced to 19 years imprisonment. There is a strong feeling against Symes in Adams county. At the time of the second trial there, a mob, largely composed of Adams county men, assembled, intending to lynch Symes. Fears are entertained that if he is taken to Ellettsville he will be lynched.

TWO GOLDEN OPPORTUNITIES.

A Rapid Fortune Can Be Made Without Going to Klondike.

The little village of Tygh Valley has begun to put on the complexion of spring improvements, among the most substantial of which is a new store building put up for the purpose of groceries or general merchandise business and in connection therewith the handling on commission of Tygh Valley flour, which is now being ground out by first-class full roller process. Tygh Valley, as is well known, is the supply place for one of the richest sections in these parts and the merchants who are now there have made a fortune in their line. There will undoubtedly be an inducement for some wide awake business man as the building is for rent, and when taken advantage of will surely result in a brilliant business success.

It is also rumored that the old Tom Denton place on Mill Creek, which is one of the finest farms in this county, is now on the market at an astonishing low figure. This place comprises 107 acres, all being in what is popularly called the creek bottom and is in cultivation consisting of 10 acres in orchard; 7 acres in grapes, 3 acres in berries with good house and barn on the place. It is located about 4 1/2 miles from the postoffice of this city and Mill Creek valley is conceded to be the prettiest place in Oregon. People never know the advantages of opportunities until it is too late, and it has been well said that "opportunity knocks on every man's door but once," and we hope that some one may look up either one of these two propositions as this is no josh but merely a few more of those bargains handled by Dad Butts. See him.

EXTRA! EXTRA!

About 2 o'clock this morning, while our compositors were making their best efforts to gather up the little leaden messengers, they were suddenly attacked by a delegation of the Elks under Commodore Driver, who proceeded to bombard the office. It is needless to add that our entire force at once capitulated, and gave the delegation full sway.

Further apology for any mistakes that THE CHRONICLE may contain this morning is certainly unnecessary.

For further particulars apply to Baby Elk Johnston.

For County Treasurer.

Chas. L. Phillips, the present county treasurer, and the nominee of his party for a second term, was born in Iowa and migrated to California while yet a mere boy. His father died when he was scarcely in his teens, and his young days were spent in supporting his widowed mother and orphan sister, as well as in the endeavor to obtain an education for himself. It both these endeavors he met with marked success.

Mr. Phillips has been in Wasco county for about twenty-three years. At first he engaged in the stock business, and about fourteen years ago he made a venture in the mercantile line in this city.

In the last election he made a successful run against George Liebe on the Democratic ticket, and Wm. Michell, who made an independent run.

As a business man he has gained a reputation for honesty and integrity, and while he has held the office of county treasurer he has always striven to do everything he could for the taxpayers of this county.

Outside of county coroner this is the only elective office Mr. Phillips has ever held, and in both instances he has given entire satisfaction.

Mr. Phillips has always been a staunch member of the Republican party, and we feel assured that the Republicans of Wasco county will not be slow in supporting him on June 6th.

Kelly the Man for Sheriff.

Robert Kelly, the nominee for sheriff on the Republican ticket, has been a resident of Wasco county for about eighteen years. He engaged in farming in the vicinity of Kingsley, and afterwards carried on a general mercantile business at that place. In 1894 he was chosen deputy sheriff under T. J. Driver, and his ability and strict attention to his duties, caused him to be given the nomination of sheriff by his party.

Mr. Kelly has been a life-long Republican, and has worked earnestly in the interest of his party, although this is the first time he has ever run for any elective office. For the last four years Mr. Kelly has been the man who has attended almost exclusively to the business of the sheriff's office, and he has many times received compliments for his ability as a first-class accountant, as well as a fully competent and accommodating man.

He is certainly the man for this office, and we feel sure that he will receive the undivided support of the party.

Two More Victories for The Dalles.

Last night's Telegram has the following concerning the bowling tournament in Portland yesterday:

"The bowling contest held this morning at the Multnomah Club's alleys be-

tween the men's teams of The Dalles and Astoria, resulted in a victory for the former, with a total of 1216 to 1013 of the Astorians. The highest individual score was made by H. M. Ogden, of The Dalles team, with a total of 185 pins. The contest between the ladies' teams of The Dalles and Astoria was also won by The Dalles team, with a total of 812 to 674 of the Astorians."

Standing for first grade.

Standing for second grade.

Attention, W. R. C.

All members of J. W. Nesmith W. R. C., are requested to meet at the K. of P. hall Monday, May 16th, at 2 o'clock p. m., to practice drill and attend to other important business for state convention. By order

Mrs. M. E. Briggs, President.

OLLIE F. STEPHENS, Sec'y.

Late yesterday afternoon the sky began to look cloudy, and during the evening occasional drops of rain fell; just enough to arouse the hopes of everyone. About 10 o'clock it began to rain hard, but it lasted only a short time. It is to be hoped that the shower extended far into the country, and was heavier than in town.

Whooping Cough.

I had a little boy who was nearly dead from an attack of whooping cough. My neighbors recommended Chamberlain's Cough Remedy. I did not think that any medicine would help him, but after giving him a few doses of the remedy I noticed an improvement, and one bottle cured him entirely. It is the best cough medicine I ever had in the house.—P. E. Moore, South Burgettstown, Pa. For sale by Blakeley & Houghton.
