**HOW THE NATION FACES WAR**

"The nation faces war with a reviving volume of business." This is the first sentence in Dun & Co.'s Review of Trade for the past week. It was naturally expected that there would be a falling off in a volume of business. It was feared that there might be a decline in stocks. It was supposed in many quarters that the first effect of war would be to excite distrust. Nothing of the kind has happened. East and West the volume of business is expanding.  
 People at home and abroad seem to believe that the war will help the country rather than injure it. There is confidence in industrial and manufacturing circles, and on the whole a gradual gain in the volume of business in those lines of manufacture that give employment to a large number of people. Starting this month with the greatest consumption ever known, the iron industry has made surprising progress. There is better demand for textile goods, and there are indications of higher prices for wool and greater activity in the manufacture of woolen goods.  
 The war has not taken enough men from agricultural or industrial pursuits to make any noticeable difference in the cities or rural districts. The second call for troops will make no great change in the more populated sections. The burdens of war are

way to distress them, while the activities of war have given a new impulse to business.  
 The great outgo of wheat is encouraging to farmers, but no more so than the enormous foreign buying of corn. The exports of corn for the week were 5,550,595 bushels, against 1,584,000 bushels for the corresponding week last year. The systematic effort to interest Europe in corn seems to have been successful, and the great corn-growing states of the West are the beneficiaries. If corn has come to its kingdom in Europe, corn lands everywhere will have new value, and there will be more burning of corn for fuel.

The Paris exposition club of Birmingham, Ala., has decided to surrender its charter because of the alleged anti-American sentiment in France. It would be better for the club to keep cool and wait. All the French anti-American sentiment that has reached us so far has come by cable from London. France has never hated us very much, and it is doubtful if she hates us very much now.

Spain offers the Canaries to France for \$30,000,000; but there is no report on hand as to the price she is willing to put upon Cuba, Porto Rico, or the Philippines. France will probably wait until she is certain that Spain can deliver the goods.

**How to Look Good.**  
 Good looks are really more than skin deep, depending entirely on a healthy condition of all the vital organs. If the liver be inactive, you have a bilious look; if your kidneys be affected, you have a pinched look. Secure good health and you will surely have good looks. "Electric Bitters" is a good Alternative and Tonic. Acts directly on the stomach liver and kidneys. Purifies the blood, cures pimples, blotches and boils, and gives a good complexion. Every bottle guaranteed. Sold at Blakeley & Houghton's drug store. 50 cents per bottle. 5

A ticket that contains the names of such men as A. M. Kelsey for county clerk, Robt. Kelly for sheriff, H. S. Wilson for circuit judge, C. L. Gilbert for school superintendent, A. S. Roberts for joint representative, and Chas. Phillips for county treasurer, certainly deserves the support of every voter. A better selection could not be made, and we hope, for the benefit of the people of this district and county, to see all these candidates elected.

Sheep marking paint; ready for use. Two colors, black and red. Why you should use our sheep paint. First, because the colors are ground thoroughly in pure linseed oil by fine machinery; second, because it is made of high grade color, with the proper amount of dryers added to give it binding and lasting qualities, which prevent it from washing or rubbing off; third, it is much more economical, because it is always ready for use. We guarantee our sheep marking paints to give satisfaction. Try it and be convinced. Clarke & Falk, agents, The Dalles, Or.
