MATRIMONIAL.

Wedding of Mr. William Hoering and Miss Pauline Drews.

A pretty wedding occurred at 9 o'clock last evening at the residence of the bride's parents in this city. The contracting parties being Mr. William A. Hoering and Miss Pauline M. Drews.

The ceremony was performed by Rev. Boltz, of the Christian church. Fred Drews, brother of the bride, served as best man, while Miss Bertie Glenn acted the part of bride's maid.

The residence was beautifully decorated with ivy, ferns and a profusion of flowers.

After the ceremony a splendid wedding supper was served and a pleasant time was enjoyed by all who were fortunate enough to be present.

Mr. Hoering holds a position in the Umattilla House in this city and is known by everyone as a young man of honesty and integrity, while the bride is the daughter of Mr. and Mrs. Frederick Drews, of The Dalles, and is highly esteemed by all who know her.

The wedding was of somewhat of a private character, only intimate friends and members of the family being present.

The young couple will leave today or tomorrow for a wedding tour to California. The CHRONICLE wishes them the full measure of happiness and success in their married life.

COOPER-ROWE WEDDING.

Two Dalles Young People Married Yesterday Morning in This City.

At the hour of 6 o'clock yesterday morning at the home of the bride's parents, Mr. and Mrs. J. K. Rowe, George Cooper and Frances Etta Rowe were united in marriage, Rev. J. H. Wood, of the Methodist church, officiating. Only relatives of the young people were present, and the ceremony was very impressive.

The contracting parties are known by their host of friends in and about this city to be, in every sense of the word, most estimable young people, and seem perfectly suited to spend a happy life together. Mr. Cooper, having spent his boyhood days on the home farm near this city, and attended school here, has grown to be an industrious, noble young man, of whom any city may well feel proud.

Miss Rowe was graduated from our High school, and has since taught in the public school with great success, winning, by her sweet, womanly manner, not only the love of her pupils, but the esteem of all who know her.

Mr. and Mrs. Cooper left on the 7 o'clock train yesterday for Portland, where he is engaged in the commission business and where they will make their home. The best wishes of the community follow them.

CLOSING EXERCISES.

The Boys of St. Joseph's School Give a Splendid Entertainment Last Night at Which Many Friends and Parents Were Present.

The closing exercises for St. Joseph's school took place at St. Mary's Academy hall last evening and was largely attended by parents and friends of the little folks, who are under the superintendence of Sister Mary John.

The program was opened by a march and chorus by about forty little fellows, and was very ably and harmoniously rendered and betrayed marks of careful training.

Johnnie Brogan distinguished himself by his rendition of "Mr. Ward's Lecture." The selection, which was a difficult one, was very well rendered.

Next came a piano solo, "The Spinning Song," which was played in a way that surprised and delighted all present.

The next number was entitled "Klondike," and consisted of a dialogue and song by about twenty little fellows. They were well drilled in every detail and this number was very creditable.

A monologue by George Bunch, entitled "Tomorrow, or the Music of the Future," was highly amusing. He was assisted by eight little boys who represented each of the eight notes of the scale.

The gun drill followed. In this about thirty little fellows appeared, and the manner in which they did their parts showed that they were true American boys, well drilled and prompt to obey the commands of their captain.

The drill was concluded by the singing of "Tenting on the Old Camp Ground," by the entire company of little patriots.

A piano and violin solo by Roger and Teddie Senfert followed, and for little ones they did themselves proud.

Hammond Galtner recited "M. Transcript's Slide Down Hill," in a way that would do credit to a much older boy.

A song and chorus, "The School Festival," by twenty-five boys, was the next number. The several parts of the song were sung by different boys, while the chorus was joined in by the entire group. Their singing showed application to the work and sound training.

The orchestra rendered the beautiful selection, "Scenes From Childhood." This was probably the best number on the program and although a hearty encore was given they modestly refused to respond.

The song and chorus, "One Wish," delighted everyone and was followed by the awarding of class honors by Rev. A. Bronsgeest. The gold medal for highest class average, which was donated by John Hampshire, was given to Johnnie Brogan. The medal for application, donated by Harry Liebe, was won by Walter Ross, while Herman Goelner won that offered for Christian doctrine, which was donated by James Skully.

Rev. Father Bronsgeest made a short address of congratulation to the boys, after which the entertainment was concluded by the singing of the chorus "America" by the entire school.

Weather Bureau Report.

The weather is cloudy, showery and quite warm over the Columbia river basin. Tuesday the maximum temperature decreased a few degrees. The rivers continue to rise slightly. The very small rise is indicative of an early cessation of the rise.

At Umattilla the rise in the river will be about two feet more; at The Dalles about 3.8 feet more and at Portland about one foot more. The temperature will slowly fall over the Columbia river basin, then the small amount of snow yet remaining will not be melted until a warmer period again occurs. In the in-

Our Eastern Oregon farmers can now have little fears of a drought this year. Yesterday's rain will certainly insure an abundant grain harvest, although ripe strawberries and other fruits are said to have suffered severely from the rainfall.

At Grass Valley, Oregon, on June 7, 1898, Mr. B. M. Hawley and Miss May M. Dougherty were united in marriage.

Both the contracting parties are well and favorably known in this county and state, and THE CHRONICLE extends to them its best wishes.

P. H. D'Arcy has asked the canvassing board of Marion county to recanvass the vote cast for himself and Judge Boise for circuit judge. In an affidavit filed with the county clerk Monday, Mr. D'Arcy sets forth that the results arrived at by the canvassing board differ essentially from the returns published in the newspapers. He thinks that a recanvass will show his election.

The twenty-second annual meeting of the Homeopathic Medical Society convened at the Methodist church at 9 o'clock Tuesday morning. There was a small attendance, but a very interesting and profitable meeting was held, and some of the papers caused an animated discussion. Dr. Eschelman was elected president for the ensuing year. The society adjourned to meet in Portland next year.

Four hundred visitors are in the city of Walla Walla to attend the 16th encampment of the G. A. R., department of Washington and Alaska, and kindred organizations. Tuesday afternoon the council of administration of each organization held a session preliminary to the regular encampment, which began yesterday, when there was a big parade. A number of veterans are camped near the city, in army style.

The O. E. & N. Co. has added many improvements to the Bonneville picnic grounds, and this beautiful spot is now in excellent order. Tickets will be sold for train No. 3, leaving The Dalles at 6:55 a. m. every Sunday, and will be honored for return passage on trains Nos. 4 and 2, same date.

A general rain fell over this section of Eastern Oregon yesterday. Parties coming from the Bakeoven country state that heavy rains fell in that vicinity in the morning; also at Sherar's Bridge, Dufur and other places in the Inland Empire. A very heavy shower fell at Dufur at about 3 p. m. about the same time as the down-pour here. Old timers here say that yesterday's fall, while it lasted, was as heavy as they have ever seen, the streets being flooded and the roads covered with mud and pools of water.

Wanted.
