Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free. F. J. CHERNEY & CO., Toledo, O. Sold by Druggists, 75c. 6-16

Wasting in Children

can be overcome in almost all cases by the use of Scott's Emulsion of Cod-Liver Oil and the Hypophosphites of Lime and Soda. While it is a scientific fact that cod-liver oil is the most digestible oil in existence, in

SCOTT'S EMULSION

it is not only palatable, but it is already digested and made ready for immediate absorption by the system. It is also combined with the hypophosphites, which supply a food not only for the tissues of the body, but for the bones and nerves, and will build up the child when its ordinary food does not supply proper nourishment.

Be sure you get SCOTT'S Emulsion. See that the man and fish are on the wrapper.
