Yesterday Sheriff Kelly took his oath of office and his position in the sheriff's office. He has selected for his deputy F. C. Sexton, a man well qualified for the position, and by his choice he has shown as good judgment as he has capability in discharging the duties of the office.
The show at the Baldwin opera house was well attended last night, and a better entertainment for the money has never been given in the city. The reproduction of the Maine disaster and

excellent, while Miss Lillian Howe entertained all by presenting the latest war songs with illustrations. Attend tonight and you will not regret it. Admission 10 and 15 cents.
The high scores at the Commercial Club alleys for the week ending Sunday were as follows: Monday, Nolan, 64; Tuesday, Ballard, 53; Wednesday, Ballard, 56; Thursday, Jobson, 40; Friday, Bradshaw, 56; Saturday, Bradshaw, 53; Sunday, Stephens, 46.

The Dalles Steam Laundry begs to inform its patrons that Mr. A. B. Estebenet is no longer in its employ. Mr. S. Burns will take his place on the wagon; should he fail to call upon you ring up telephone 341 and your wants will be attended to immediately. Give us your work and we will try to please you.
One of the pleasant features of the Fourth of July celebration which we omitted mentioning yesterday was the excursion on the Sarah Dixon in the evening. Two hundred pleasure seekers went down the river and their trip was not in vain, for everyone was in an enjoyable frame of mind, and as every thing passed off pleasantly the excursionists were more than pleased with their trip.
We would like to know who is responsible for moving the old Mountaineer office in the alley back of McNerny's store and leaving it stand there. In this way they have blocked up the alley and not only cut off traffic, but in case of fire would obstruct the way, and by so doing cause needless delay and probably a heavy loss that might otherwise be averted. The matter should be attended to promptly.
The Fourth was celebrated in Hood River with a will as a result of the bulletin received announcing Sampson's victory. The G. A. R. fired a salute. The drill of a company of young women was a feature of the day. Arrangements are being made to make the organization a permanent one. The Emergency Corps' entertainment at night was well attended, the leading feature being the extra drill of sixteen young women of the company of forty.
Monday afternoon Charles Gray, of Cove, shot three times at Albert Ohms, of Island City. One bullet took effect in Ohm's thigh, another struck his saddle and the third killed his horse. Both

money owed Ohms by Gray. They had trouble over the account this morning, but separated, meeting again later. Both men were on horseback and after the shooting Gray left Arlington hurriedly firing his pistol several times. Officers are pursuing him.
North Yakima held the biggest celebration in years, with no casualties to mar the enjoyment. Everybody was patriotic in the morning, but when news came of Sampson's victory at Santiago, the town went wild. A delegation of citizens stopped the procession and read Sampson's telegram, and rousing cheers followed. The same citizens went to the ball ground, called time, read the message and nearly broke up the game. The procession was one of the largest ever seen in the city, and was witnessed by a large crowd. The ball game nearly ended when the first man went to the bat, the pitcher striking Batter Farrah behind the ear with the third ball pitched, rendering him unconscious for several hours. A report came from Zillah to the effect that one Indian killed another during the celebration there. Both were drunk.
The city election which was held last night passed off a quickly and with as little trouble as any we have ever had, and throughout was apparently satisfactory. Chas. Lauer, the present incumbent of the marshalship, has proven a faithful man in that position, which accounts for his retention. Julius Wiley, the nightwatchman for the past year, has conducted himself in such a straightforward manner that he would have been unanimously returned should he have allowed his name to come before the council. His successor we trust will fill the position creditably. The city recorder, Roger B. Sinnott, also refused to accept the office the second time, since by so doing he would be forced to neglect his law practice. Mr. Sinnott has filled the position of recorder in a most creditable manner, and, if he wished, would have been elected unanimously. Mr. Gates is a promising young attorney and fully capable of filling the position.

COUNCIL MEETING.
City Officers for the Ensuing Year Were Elected--Other Matters.
A meeting of the city council was held last night. Mayor Nolan presided and Councilmen Johnston, Clough, Kellar, Kuck, Stephens, Barnett, Johns, Butts and Gunning were present.
The minutes of the last meeting were read and approved and on motion adopted and placed on file.
Reports of city officers were read and approved; also the report of the mayor.
A petition to grant a liquor license to Geo. W. Way was next before the council, and on motion the license was granted.
The name of Charles Lauer for city marshal was placed before the council for confirmation by Mayor Nolan. The question was left to a vote, and resulted in seven for confirmation and two against. As the majority of the council was in favor of confirming Mr. Lauer as marshal, he was declared such by the mayor.
Next in order was the selection of a recorder. The name of N. H. Gates was placed before the council and the vote stood eight to one. Mr. Gates receiving the majority of the council, was declared recorder for the coming year.
Petitions for the position of nightwatchman were next read, and Mr. Adolph Phirman chosen by a vote of seven to two blanks.
Ordinances ordering the mayor and recorder to draw up and sign deeds to Thomas Hudson and Charles Frank for certain pieces of property were read and passed.
Bills were presented by the judges and clerks of election for services rendered, and on motion were ordered paid.
As there was no further business for the council to transact, on motion they adjourned.

OUR BATTLE-CRY.
BY HENRIETTA R. ELIOT.
Not for revenge, albeit Spain
Destroyed the Maine—
Not for her islands, near or far,
Wage we this war.
Nor solely for poor Cuba's need
Do our sons bleed!
But to solve questions which were gray
Ere to the day
She opened her sad eyes! For we
Who scarce yet see
Wisely to rule ourselves, are set
Where ways have met,
To lead the nations on!
Not for our own
Land now are battle-flags unfurled,
But for the world
