SYRUP OF FIGS

NEVER IMITATED IN QUALITY.

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP CO. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP CO. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company —

J. A. CROSSEN.

On Saturday, "Doc" Haskins, who is 24 years old, while training a race mare near his home on upper Bortt river, was thrown with great force by the animal coming suddenly to a stop. The young man struck squarely on his face and received shocking injuries. Accompanied by his mother and brother, the sufferer was brought in a hack the fifty miles to Baker City and placed in St. Elizabeth's hospital, where Dr. E. B. McDaniel reduced a bad fracture of his nose and took stitches in his chin in order to get it into proper shape. While Mr. Haskins is on the mend, under the skillful care of the hospital, it is very difficult for him to take food or fluid with his face fairly swathed in bandages.

Just as Good

as Scott's and we sell it much cheaper," is a statement sometimes made by the druggist when Scott's Emulsion is called for. This shows that the druggists themselves regard

Scott's Emulsion

of Cod-Liver Oil with Hypophosphites of Lime and Soda as the standard, and the purchaser who desires to procure the "standard" because he knows it has been of untold benefit, should not for one instant think of taking the risk of using some untried preparation. The substitution of something said to be "just as good" for a standard preparation twenty-five years on the market, should not be permitted by the intelligent purchaser.

Be sure you get SCOTT'S Emulsion. See that the man and fish are on the wrapper - 50c. and \$1.00, all druggists. SCOTT & BOWNE, Chemists, New York.

Persons troubled with diarrhoea will be interested in the experience of W. M. Bush, clerk of the hotel Dorrance, Providence, R. I. He says: "For several years I have been almost a constant sufferer from diarrhoea, the frequent attacks completely prostrating me and rendering me unfit for my duty at this hotel. About two years ago a traveling salesman kindly gave me a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Much to my surprise and delight its effects were immediate. Whenever I felt symptoms of the disease I would fortify myself against the attack with a few doses of this valuable remedy. The result has been very satisfactory and almost complete relief from the affliction." For sale by Blakeley & Houghton.

Our baby has been continually troubled with colic and cholera infantum since his birth, and all that we could do for him did not seem to give more than temporary relief, until we tried Chamberlain's Colic, Cholera and Diarrhoea Remedy. Since giving that remedy he has not been troubled. We want to give you this testimonial as an evidence of our gratitude not that you need it to advertise your meritorious remedy.—G. M. Law, Keokuk, Iowa. For sale by Blakeley & Houghton.

The Discovery of the Day.

Aug. J. Bogel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Safford, Ariz., writes: "Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for consumption, coughs and colds. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Colds and Coughs is not an experiment. It has been tried for a quarter of a century, and today stands at the head. It never disappoints. Trial bottles free at Blakeley & Houghton's.

A CHILD ENJOYS

Manufactured by the California Fig Syrup Co.

E. C. Blanks, of Lewisville, Texas, writes that one box of DeWitt's Witch Hazel Salve is worth \$50 to him. It cured his piles of ten years standing. He advises others to try it. It also cures eczema, skin diseases and obstinate sores. For sale by the Snipes-Kinersly Drug Company.
