## SYRUP OF FIGS

NEVER IMITATED IN QUALITY.

**THE EXCELLENCE OF SYRUP OF FIGS** is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP CO. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP CO. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not grip nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

### The Wheat Trade.

The season of 1907-08 has passed, and we have entered into a new season. In Eastern Oregon and Washington harvesting operations are now in progress, and new wheat will probably begin to arrive about August 1st. From interviews with leading exporters and prominent interior merchants we are led to believe that the output of Oregon and Washington will be fully 10 per cent. larger than that of last season.  
In the Valley, prospects for a large crop are flattering, and harvesting will shortly be in full blast.  
Everything promises an active season. Prices are profitable to the farmer, and a liberal early selling movement is anticipated.  
A larger portion of the crop will be shipped out by way of the Columbia river this year than last. During the week three cargoes of wheat and flour cleared from Portland for foreign ports, and three more will finish in the next few days.  
Prices at present are nominal, and exporters are willing to pay a fair price based on Liverpool quotations. Walla Walla is worth 60@61c, and blestem and Valley 63@64c per bushel. Holders are firm and will not sell at the above prices, hence nothing of any not doing at present.

Persons troubled with diarrhoea will be interested in the experience of W. M. Bueh, clerk of the hotel Dorrance, Providence, R. I. He says: "For several years I have been almost a constant sufferer from diarrhoea, the frequent attacks completely prostrating me and rendering me unfit for my duty at this hotel. About two years ago a traveling salesman kindly gave me a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Much to my surprise and delight its effects were immediate. Whenever I felt symptoms of the disease I would fortify myself against the attack with a few doses of this valuable remedy. The result has been very satisfactory and almost complete relief from the affliction." For sale by Blakeley & Houghton.

Our baby has been continually troubled with colic and cholera infantum since his birth, and all that we could do for him did not seem to give more than temporary relief, until we tried Chamberlain's Colic, Cholera and Diarrhoea Remedy. Since giving that remedy he has not been troubled. We want to give you this testimonial as an evidence of our gratitude not that you need it to advertise your meritorious remedy.—G. M. Law, Keokuk, Iowa. For sale by Blakeley & Houghton.

A startling incident of which Mr. John Oliver of Philadelphia, was the subject is narrated by him as follows: I was in a most dreadful condition. Fortunately, a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man.
