As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. A SERIOUS CONFLAGRATION.
Almost the Entire City of Antelope Goes Up in Smoke—The Loss Is Considerable.

Word reached the city yesterday morning that the greater part of Antelope was laid in ashes by a conflagration which occurred there early Monday morning. The fire was discovered at about 2 o'clock in the bowling alley in the Masonic building, and it was but a short time until the entire structure was in flames. The residents were aroused, but as there was no fire protection, nothing could be done except to carry goods to a place of security. It was but a short time until the Antelope hotel and the buildings near by were in flames.

The fire then crossed the street to Silvertooth's saloon, and in a short space of time Patterson's notion store and W. Bolton & Co.'s immense warehouse and store were one mass of flames. By hard work the Antelope Herald building was saved. From Jones' barn the fire continued its way east, and consumed Kirchheimer's blacksmith shop, Dr. Pillington's drug store, the postoffice and notion store conducted by Mrs. John Bennett, and the furniture store of Gilsan & Brown.

Then the large Occidental hotel caught and in a few minutes ignited a small building adjoining and the immense Antelope livery stable in the extreme lower end of town, where it went out as there were no other buildings in its path.

At present an estimate of the losses and the amounts of insurance cannot be given.
