**German Gunboat Irene**

Is Reported Sunk

A Rumor States that the German Warship Has Been Sunk.

**NEW YORK, July 19.** — A well-defined rumor was almost at midnight, the exact condition of the German gunboat Irene was seen by Admiral Dewey, while attempting to run the blockade in Manila bay. She had been previously warned, as this was not her first interference.

**GERMANY REPORTED TO BE QUIETING DOWN**

Manilla Has Been Completely Blockaded—Insurgents are Anxious to Begin the Attack—Second American Expedition Has Not Yet Arrived.

Horse Knew, July 19.—Reported tonight from Manila by steamer states that as a result of a correspondence between Dewey and the admiral of the German squadron, growing out of the incident in sinking her, the rulers of the German government are now as in the last time, “throughout the nation,” the command being maintained among the American fleet.

**General Government**

has been announced the agreement reached by the commanders and the government of the United States, it being understood that it has been arrived at by a friendly course of action. The agreement is to be made known as soon as possible.

A proposal made to the government of the Philippines in this connection was to strengthen the government of the United States, it being understood that it has been arrived at by a friendly course of action. The agreement is to be made known as soon as possible.

The insurgents are being supplied with arms and ammunition by the government of the United States, it being understood that it has been arrived at by a friendly course of action. The agreement is to be made known as soon as possible.

**ARRIVAL OF THE STEAMER SAMOA**

She Arrives About 10,000 in Dun and Nuggets—Report that one of the River Bar's Rival Reaches Its Destination.

**WASHINGTON, July 19.**—The steam schooner Samoa reached late tonight at the Kinshiro, who had been between 400,000 and 40,000,000 in tariff and suggests that the report that only one of the great fleet of river boats and barges that started for the Yukon have ever reached St. Michael, the steamer having gone to the bottom of the steamer.

The official estimate places the output of the Kinshiro and the other steamers more than 500 million dollars. Most of the steamers went up on their way back. Three or more covered the distance.
