

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

CALIFORNIA FIG SYRUP CO. SAN FRANCISCO, CAL. LOUISVILLE, KY. NEW YORK, N. Y.

Mr. and Mrs. Fred Houghton left yesterday on the Dixon for Camas Prairie, where they will spend their summer vacation. Dr. Livingston, of Denver, Colorado, who for the past ten days has been visiting Dr. Sutherland, left yesterday for his home.

Miss Emma Davenport, who has been visiting relatives at Salem, Silverton and other valley points, returned last evening and is visiting with the family of her uncle, R. G. Davenport, in this city.

Fritz Rader, son of George Rader, a wealthy stock man, living a few miles north of Long Creek, Grant County, came near losing his life while riding after stock Thursday afternoon. His horse stepped into a badger hole while going at full-speed and fell, the young rider being violently thrown to the ground. The force of the fall rendered him unconscious for some time. His injuries were serious though not necessarily fatal.

"Gov. Lord's proclamation against forest fires, while made in the best of faith, will continue to be observed about as much as are some of the defunct laws now on our statute books," says the Steppner Times. "The Portland dudes who come up here every year to fish and hunt are the ones most responsible for the destruction of our forests by fire, and until more vigorous means are instituted to put a stop to such outrages, the practice will be continued."

A shooting scrape took place near the Arlington depot last Wednesday afternoon, T. H. Wasson firing two shots at Mike Harvey, neither of which took effect. The former was fined \$30, which he paid. The trouble was caused by Harvey, who is a gambler, having alienated the affections of Wasson's wife at Boise not long ago, and when the two men met, Wasson went after the other fellow with blood in his eye, but the distance between the gun and its mark prevented a more serious result.

THE PEOPLE'S PROGRESS

OREGON INDUSTRIAL EXPOSITION WILL SHOW IT.

There Will Be Mirth, Music and a Great Gathering of People in Portland on That Occasion.

Lovers of good music—and they are plentiful everywhere—will be glad to know that the coming Oregon Industrial Exposition is going to treat the people to the very best music that it is possible to procure. The committee has engaged Bennett's Military Band for the entire length of the term of the exposition, and that is sufficient assurance that the music will be of the best. It will not only be classical but will abound with old time melodies and every-day tunes that everyone understands and appreciates.

Superintendent Baker, of the Oregon Industrial Exposition, has made a trip to Omaha and inspected the Trans-Mississippi Exposition and saw how things are done there, and acquired ideas on modern fairs, which he will introduce and improve on here. Every new, attractive and useful feature of fairs will be introduced at the coming Oregon Exposition and the surroundings will be so pleasant and agreeable that all will be glad they came.

People will come from all parts of the Northwest, and full descriptions of the things they exhibit will go to all parts of the country and many parts of the world, and the result will be a large influx of new people to the Northwest and a corresponding increase of wealth, and everybody will be benefited.

In the great exposition building, or rather group of buildings, are to be gathered the product of the field, forest, orchard, mine and factory, and the food harvest of the sea, and combined with their exhibition will be music, flowers, fine arts and amusements, combined with instructions, all in daily installments.

It is an opportunity for useful amusement and sight-seeing which is placed within reach of all. Few can afford to miss it, and excursion rates are very reasonable.

The producers of the Northwest are invited to send samples of their fruits, grains, grasses, dairy and other products, and all such exhibits will be given very prominent places and the best care taken of them.

Hobbed the Grave.

A startling incident of which Mr. John Oliver of Philadelphia, was the subject is narrated by him as follows: I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pale continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying "Electric Bitters," and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life and robbed the grave of another victim." No one should fail to try them.

The Discovery of the Day.

Aug. J. Bogel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Safford, Ariz., writes: "Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for consumption, coughs and colds. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Colds and Coughs is not an experiment. It has been tried for a quarter of a century, and today stands at the head. It never disappoints. Trial bottles free at Blakeley & Houghton's.

Thin Blood

Where the blood loses its intense red—grows thin and watery, as in anemia, there is a constant feeling of exhaustion, a lack of energy—vitality and the spirits depressed.

Scott's Emulsion

of Cod-liver Oil with Hypophosphites of Lime and Soda is peculiarly adapted to correct this condition. The cod-liver oil, emulsified to an exquisite fineness, enters the blood direct and feeds its every corpuscle, restoring the natural color and giving vitality to the whole system. The hypophosphites reach the brain and nerve centres and add their strengthening and beneficial effect. If the roses have left your cheeks, if you are growing thin and exhausted from overwork, or if age is beginning to tell, use SCOTT'S Emulsion.
