

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP CO. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP CO. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. The Discovery of the Day.

Aug. J. Bogel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Safford, Ariz., writes: Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for consumption, coughs and colds. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Colds and Coughs is not an experiment. It has been tried for a quarter of a century, and today stands at the head. It never disappoints. Trial bottles free at Blakeley & Houghton's.

SPECIAL MARKET LETTER.

Issued Weekly From the Omaha Stock Yards for the Benefit of Stockmen Throughout the Northwest.

The laborers' strike at the packing houses has been settled, and all the packing houses are now in full operation including the great new Armour plant, which opened a few days since. It will require large receipts of cattle, hogs and sheep to supply the wants of packers at this point from now on.

The corn crop in Nebraska continues to make favorable growth and is very promising, although the weather has been dry for the past ten days, and in many localities rain is now needed. These conditions have made buyers of feeders timid, and they are delaying purchasing, which has had the effect of causing a decline in feeding cattle.

WESTERN CATTLE. There has been an increase in the receipts of western cattle this week over last, and a considerable number were fat enough for beef. Feeders and stockers have declined 20c to 30c from last week caused by dry weather in the corn district as indicated above. Western grass beef steers sold at \$3.75 to \$4.20, and cows and heifers at \$3.00 to \$3.90; western yearling feeding steers \$4.20 to \$4.60; two-year-old \$3.90 to \$4.35, and three and four-year-old \$3.65 to \$4.25. Good quality heavy weight feeders are in active demand to put on feed at once, because, it is believed that good matured cattle will sell well all summer and fall. A fancy bunch of Black Polled Wyoming steers, averaging 1100, sold to a feeder at \$4.40.

SHEEP. Receipts of all kinds of sheep continue light at this market compared to its wants, and the demand is active at the prices which is netting more to the owners than at any other market. Sales of western wethers have been made promptly during the week at \$4.15 to \$4.50; ewes \$3.50 to \$4.00; yearlings \$4.25 to \$4.85, and lambs \$4.75 to \$5.25.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

Our baby has been continually troubled with colic and cholera infantum since his birth, and all that we could do for him did not seem to give more than temporary relief, until we tried Chamberlain's Colic, Cholera and Diarrhoea Remedy. Since giving that remedy he has not been troubled. We want to give you this testimonial as an evidence of our gratitude not that you need it to advertise your meritorious remedy.—G. M. Law, Keokuk, Iowa. For sale by Blakeley & Houghton.
