Robbed the Grave.

A startling incident of which Mr. John Oliver of Philadelphia, was the subject is narrated by him as follows: I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life and robbed the grave of another victim." No one should fail to try them.

Yesterday morning the case of the State of Oregon vs. Thomas Dissenderfer was tried in Justice Bayard's court. Dissenderfer was charged with assault and battery, the action growing out of an accident that occurred on Mill creek last Sunday, in which the defendant drove into the carriage of John Filloon, occupied by him and his wife. Dissenderfer was dismissed on a demurrer to the complaint. A. A. Jayne appeared for the state, while N. J. Sinnott was the attorney for the defense.

Headers are running at full blast in the interior, and by next week much of the crop between The Dalles and Dufur will be in the stack and ready to thresh. Owners of threshers are getting them in shape for a big season's run, and by

next Monday their busy hum will be heard at various points in the interior, while in Sherman county the massive combines will be utilized to cut and thresh the rich harvest as rapidly as possible. Although the weather is extremely warm, it is fine for harvesting, and the farmers will take advantage of it to get their grain under cover.

The Salem Statesman says: We learn from a private source that there is some danger that the new best sugar factory at Union will not be able to handle all the beets raised thereabouts to supply it. The acreage was based on the production of Utah lands; and the Grande Ronde valley lands are so rich and so well adapted to the cultivation of sugar beets that there may be a surplus, a tonnage beyond the capacity of the factory."

Prof. C. V. Piper, botanist of the Pullman agricultural college, after having carefully estimated the coast gives it as his opinion that it will necessitate the expenditure of \$10,000 to eradicate the Russian thistle from the wheat fields of Umatilla county. If the matter is postponed two years \$100,000 would not be enough to do what the expenditures of \$10,000 would accomplish next spring. This is a serious matter to the owners of wheat land throughout the entire Inland Empire.

Yesterday morning Dr. Doane reported to the city authorities a family residing in the pines on the hill, south of I. J. Norman's property, that was afflicted with scarlet fever. The family was promptly quarantined. The parties afflicted are named Eastburn, and live in a small house where they have no means of caring for the sick, though as yet the disease has not appeared in a malignant form. Every precaution will be taken to isolate them from others, and there is little danger of the disease spreading.

On Monday and Tuesday evenings of next week the people of Hood River and Cascade Locks will have a musical treat, as the instrumental quartet of the Alpha Mandolin and Guitar Club of this city will play in these towns on the evenings stated. The quartet consists of the well-known musicians, Prof. Ryan, J. R. Reese, Irwin Parkins and Clinton Alden. The playing of the young men in this city has delighted all who have heard them, and that they will please the public in other places as well as here, cannot be doubted. They will be at Hood River Monday evening, the 1st, and at the Locks on Tuesday, the 2d inst.

Colonel Robert W. Mitchell started Wednesday evening from Portland on his annual trip of inspection over the Willamette valley and Cascade mountain wagon road. At Salem he expects to be joined by "By" Geer, and at Lebanon the start by wagon will be made. At Fish lake Colonel Mitchell will camp several days in the fragrant hay that grows rank on the trees there, and will see if any of the trout he and Colonel Jackson rubber-stamped their initials on have returned from South America to again snap horse flies on their old grazing ground. Colonel Mitchell will traverse the entire length of the road, passing Prineville and winding up at Ontario, on the mystic Malheur, from which point he will return by rail.

RED MEN ELECT OFFICERS.

John Michell, of The Dalles, is the New Great Sachem.

The most important business before the great council of Oregon, Improved Order of Red, which was held in Portland Wednesday, was the election of chiefs, which resulted as follows:

Great sachem, John Michell, of The Dalles; great senior, J. H. Howard, of Oregon City; great junior, A. B. Cherry, of La Grande; great prophet, Otto Schumann, of Portland; great chief of records, W. C. A. Pohl, of Astoria; great keeper of wampum, J. H. Griebel, of Portland.

John Michell was also elected great representative to the great council of the United States, which meets in Indianapolis in September. There are now two great representatives, Fred H. Saylor, who was elected at the last great council, being the other.

Pendleton will probably be chosen as the place of holding the next great council.

The speeches of the great chiefs were read and referred to the proper committees.

The reports of the great chief of records and the great keeper of wampum show the Oregon reservation to be in a very prosperous condition. There are now 15 tribes in the state, an increase of six over last year. In membership the increase is about 500. The receipts for the year were \$10,127.65, and disbursements, \$9,597.45. Of the latter sum, \$3,000 was for relief and funeral benefits.

The report of Great Representative Saylor showed that the membership of the order in the United States is nearly 160,000, and that over \$1,500,000 was expended during the last great sun for relief.

The degree of Poochontas was also reported to be in a flourishing condition. There is only one council in this reservation, but it is expected to institute one each in Astoria, Baker City, The Dalles and Pendleton during the next great sun.

Rev. W. H. Hoskins United in Marriage to Miss Bertha Armstrong at Bridal Veil, Or.

A pretty wedding took place at Bridal Veil at 8:30 Wednesday evening. The contracting parties were Rev. W. H. Hoskins and Miss Bertha Armstrong, the ceremony being performed by Rev. J. W. Rule, of the M. E. church of Vancouver. The bridal march was played by Mrs. Jarvis. Miss Bertha Palmer acted as bride's maid, while G. W. Armstrong, brother of the bride, acted as best man, the bride being given away by A. A. Palmer.

The schoolhouse in which the ceremony was performed was gaily decorated with cedar boughs and a profusion of flowers, while above the bridal couple hung a bell of moss decorated with roses.
