

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. VESSEL NOT A BLOCKADE-RUNNER

The French Embassy Asks for the Release of the French Prize, the *Olinde Rodriguez*.

WASHINGTON, July 28.—The French embassy has called the attention of the state department to the circumstances connected with the seizure of the French merchant steamship *Olinde Rodriguez*, and has requested the immediate release of that steamer. The action was taken simultaneously with a protest from the French Transatlantic Steamship Company against the seizure. The state department has submitted all the papers in the case to the department of justice, with a view to getting an opinion on the legal questions involved.

Grounds of the representations of the embassy are that the *Rodriguez* was engaged in ordinary mercantile pursuits, and has also on board the official mail of the French government, destined to the French minister at Port au Prince. It is said that her manifest shows she was not intending to enter a blockaded port.

The representations are those usually made in behalf of French interests, and there is no disposition at the state department to regard them as other than a friendly inquiry.

TROOPS EMBARKED LAST NIGHT

The War Department is in Receipt of the Information.

WASHINGTON, July 28.—The war department this morning received a dispatch from General Brooke, at Newport News, dated last night, saying he was aboard a transport and would sail for Porto Rico this morning. Nothing further has been heard by the department from either Brooke or the commanding officer at Newport News.

No further news regarding the movements of General Miles and his forces in Porto Rico has reached the war department. It is thought no important movements or operations will be undertaken until after the arrival of General Brooke and his army upon the scene. When, unless an armistice is meanwhile declared, the campaign against San Juan and the entire island will be actively prosecuted.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

Our baby has been continually troubled with colic and cholera infantum since his birth, and all that we could do for him did not seem to give more than temporary relief, until we tried Chamberlain's Colic, Cholera and Diarrhoea Remedy. Since giving that remedy he has not been troubled. We want to give you this testimonial as an evidence of our gratitude not that you need it to advertise your meritorious remedy.—G. M. Law, Keokuk, Iowa. For sale by Blakeley & Houghton.
