

SYRUP OF FIGS

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

AGUINALDO HAS BEEN GROSSLY MISREPRESENTED

He Expresses the Deepest Regard for the Americans and is Ready to Assist Them in Any Way.

SAN FRANCISCO, Aug. 2.—The steamer Doric, which arrived today from Hong Kong, Yokohama and Honolulu, brought some very interesting details of the conditions in the Philippines. When the Doric left Hong Kong Aguinaldo with fifty thousand troops was menacing the city of Manila, and it was openly conceded he could take the place at any time if Dewey would permit.

Aguinaldo, according to a correspondent to the China Mail, has been misrepresented by the correspondence of American papers. Instead of putting stumbling blocks in the way of the Americans he was doing all in his power to hurry their capture of Manila.

Aguinaldo professes the deepest regard for Yankees and their sense of justice in the disposition of the Philippines.

PEACE ORDERS TO BE ISSUED

As Soon as Spain Accepts Our Conditions the Orders Will Be Promptly Issued and Commissions Appointed.

WASHINGTON, Aug 3.—It was decided yesterday to make public in general the contents of the note to Spain containing the terms upon which the United States was willing to open peace negotiations. The terms are those already forecasted in the dispatches to THE CHRONICLE, and the only condition about which any doubt is felt is that regarding the time when the stay of hostilities shall be ordered. It is impossible to get any information on this point, but it is believed that peace orders will be issued as soon as Spain signifies her willingness to accept all the conditions named. Commissions will then be appointed.

ure of the governor-general of the Philippines five transports with 4897 men had sailed from this port.

Scarcely had the message been sent before General Merriam received word from the war department that General Merritt has asked to have his command increased from 20,000 to 50,000 troops, in order to be able to meet any emergency which may arise on account of the hostile attitude of Aguinaldo and the insurgent forces.

The recruits of the First Colorado, Second Oregon and First Nebraska, by order of Brigadier-General King, have been added to the command of Lieutenant-Colonel Barnett, making with the recruits of the Tenth Pennsylvania a force of 1000 men. This action was taken in order to mobilize the scattered Camp Merritt forces.

A SERIOUS RAILWAY ACCIDENT

Four Cars Derailed on the Santa Fe—Two Men Killed and Many Others More or Less Injured.

FLAGSTAFF, Ariz., August 2.—Four cars of the west-bound Santa Fe overland express were derailed five miles west of Winslow early this morning.

Ray Gordon, the youngest son of the station agent at Kingman, and an unknown man were instantly killed, and over forty more or less injured.

The disaster was caused by a broken rail. The engine, mail and express cars jumped the break safely, but three Pullmans, a day coach and a chair car jumped the track and plunged over a twenty-foot bank into the little Colorado river. There were fifty-three passengers on board, and hardly one escaped more or less injury.
