

A Protocol Has Practically Been Agreed Upon

Terms Exactly Those Laid Down By the President--Cuba and Porto Rico to Be Evacuated.

WASHINGTON, Aug. 10.—Today the French ambassador, accompanied by Thiebaut, arrived at the state department at 11 o'clock, and after a conference lasting fifteen minutes with Secretary Day, during which time they considered some of the details of the reply, which had been left over, the latter drove to the White House to confer with the president.

There is reason to believe that the Spanish government will recede from certain conditions and that the result will be an agreement upon the basis of the terms of peace.

Secretary Day, at 1 o'clock, made the following statement to the press:

"We have agreed upon a protocol, embodying the proposed terms for the negotiation of a treaty of peace, including the evacuation of Cuba and Porto Rico, and it is expected the protocol will be executed. It can be stated that the terms are precisely those laid down by the president in his original note about a week ago. It is believed that nothing but a few formalities remain to be disposed of to secure the signature of the protocol."

Later an agreement was reached on the protocol, embodying the terms of peace between Spain and the United States.

DETERMINED TO CAPTURE MANILA

Insurgents Renew Their Efforts—Panic Inside the Walls—Spanish Loss Estimated at 100.

MANILA, Aug. 3, via Hong Kong, Aug. 10.—The insurgents, thinking that peace will be concluded between the United States and Spain, and that the Americans will withdraw from the Philippines, are the more strenuous in their desires and efforts to capture Manila.

Sunday night there was a heavy bombardment with heavy modern shells. It is generally believed in the city that the Americans assisted and the papers publish lists of Americans alleged to have been killed.

There is also a report that half the Americans have succumbed to fever, and this misstatement, with others like it, encourages the Spaniards to maintain their resistance.

On Sunday many shots entered the town. Several reached the citadel itself and it is reported that some ladies were killed. There was a frightful panic inside the walls, women and children shrieking in their terror the whole night through.

The insurgents showered large and small shots with such good aim that the garrison believed the whole American army and fleet were concentrating their fire. Many Spanish had previously resolved to cease fighting in other directions. The total Spanish losses are probably 100, but many houses have been seriously damaged.

WILL NOT DRILL ON SCANT FARE

Company M, at San Francisco, are in Open Mutiny—Object to the Fare Furnished.

SAN FRANCISCO, Aug. 10.—After the noon meal forty-five men of the 62nd Company M, Tenth Pennsylvania vol-

unteers, informed the acting commander, Sergeant Shaw, that they would not drill on the scant fare furnished them. Sergeant Shaw reported to Lieutenant-Colonel Barnett, who promptly arrested all the malcontents. Up and down the camp they were marched for three hours. They had been stripped of their rams and were guarded on all sides by sentinels from the other companies. A court martial seems imminent.

COMMANDERS TO BE ADVANCED

Sampson and Schley Will Be Rear Admirals—Other Promotions to Be Made.

WASHINGTON, Aug. 10.—The president will recommend to congress that Admiral Sampson be advanced eight numbers, and Admiral Schley six numbers, this making each a rear admiral, but Schley ranking immediately below Sampson. Captain Clark, of the Oregon, will be recommended for an advance of six numbers in the captain's grade, and Lieutenant-Commander Wainwright will go up eight numbers. Other promotions throughout the fleet will be recommended.

Adolph Sutro's Will Discovered. SAN FRANCISCO, Aug. 10.—It is now

certain that Adolph Sutro left a will, which is in the hands of Attorney Reuben H. Lloyd. It will be offered for probate within a few days.

The funeral service, which will be private, will be held at Sutro Heights. Rev. Jacob Nieto, rabbi of the congregational Sherith Israel, will officiate. The remains will be taken to Odd Fellows' cemetery, where the cremation will be performed. Later the ashes will be interred in the family plot at Cypress Lawn cemetery.

AGUINALDO'S RACE IS ABOUT RUN

Americans are Disgusted With Him and the Philippines Realizes That His Promises Amount to Nothing.

CAVITE, Aug. 3, via Hong Kong, Aug. 10.—The Americans are disgusted at the conduct of Aguinaldo, whose power is weakening, owing to the fact that the Philippines are realizing the unsubstantiality of his promises.

Two insurgent steamers are now in Manila bay provisioning to insure Aguinaldo's escape if necessary. The Americans worked splendidly under the galling fire at the battle of Malate. The Spanish used Mauser and Remington rifles with brass-coated bullets.

Gomez Wins a Big Battle Near Las Vilas

NEW YORK, Aug. 10.—News of Cuban victories in the western provinces has reached here, one of the battles was the result of the success of the attempt of General Gomez, with 3000 men, to force the trocha between Las Vilas and Camaguey, to make his headquarters with the officers of the government of the Cuban republic at Camaguey. The trocha at this point was guarded by 4000 Spaniards under General Castellanos. The Spanish soldiers made a stubborn resistance, but in the afternoon their main body gave way before a machete charge of the Cubans. There were many wounded on both sides. Spanish prisoners were liberated after being deprived of their arms.

FIVE NEGROES WERE LYNCHED

Clarendon, Arkansas, in an Uproar—Wife Accused of Instigating the Murder of Her Husband Commits Suicide.

LITTLE ROCK, Ark., Aug. 10.—Word was received here at an early hour this morning of the hanging at Clarendon of five negroes—three men and two women—by a mob. The victims were accused of complicity in the murder of John T. Orr, a wealthy hardware merchant of Clarendon, who was shot by an assassin several nights ago. The prisoners were taken from the jail during the absence of Sheriff Jackson, who was ill, Deputy Sheriff Milwee, in charge of the jail, being unable to resist the mob.

Clarendon has been the scene of great excitement since the killing of Orr, and the lynching of the five negroes charged with complicity in the crime is no great surprise to the citizens. Orr was shot in the back through a window while in his home last Friday night, and died the following day. There was no clew to the murder and even bloodhounds that were immediately put on the trail were unable to run down the assassin.

After an inquest extending over two days a verdict was returned charging Mrs. Orr, the murdered man's wife, with being the instigator of the crime. Miss Rachel Morris, a prominent young Jewess, Manse Castle, Will Sanders, Dennis Ricard, Rilla Weaver and Susie Jacobs, were charged with complicity in the crime. All were placed under arrest except Miss Morris, who fled.

After the arrest of Mrs. Orr and the five negroes Mrs. Orr made a confession. She admitted that she had said to her cook that she wished her husband dead and that she would be willing to give \$300 to anybody to kill him. But she said that this was uttered while in a fit of anger and that she was innocent of any criminal intention. Her husband abused her, she said, and once struck her, and she being of high temper herself sometimes said things in anger that she did not mean.

Mrs. Orr committed suicide by taking poison in the city jail last night, so that the only survivor of those charged with the murder of Orr is Miss Morris.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free. F. J. CHERRY & Co., Toledo, O. Sold by Druggists, 75c. 6-10
