

SYRUP OF FIGS

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP CO. Only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP CO. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

THE COLUMBIA SOUTHERN.

The New Extension Completed to a Station Fourteen Miles from Biggs Called Klondike.

By a recent circular emanating from the headquarters of the Columbia Southern Railway Company at Wasco, this official announcement is made:

"To agents and connecting lines: The extension of this company's line has been completed to a point fourteen miles from Biggs, and the station of Klondike, Oregon, has been established thereat.

"E. E. LYTLE, Pres.

"D. C. O'REILLY, Gen. Mgr."

When this is completed it is reported that it will reach as far as Prineville. The surveys of the proposed Eastern Oregon from Albany to Ontario were reported complete long ago. The same territory will be tributary to both lines, although the latter, of course, will be the much longer line of the two. The advantage of the former over the latter, however, lies in the fact that actual construction is in progress, and it will naturally be the first in the field.

When the Columbia Southern is opened to Prineville it will tap a very productive country, rich in wool and cattle interests, now looking for market. This will find its way to The Dalles, and naturally tend to greatly promote the growth and business interests of that place.—Telegram.

The Columbia Southern will either strike it rich or it will be a cold day for it when it reaches Klondike.

church today, will be compelled to postpone services for two weeks more. Mr. Taylor has been suffering for the past few weeks with erysipelas, and is in no condition to conduct services as yet.

A lilac bush in bloom at this season of the year is something of an oddity. J. E. Miller has one of the shrubs in his yard in North Pendleton which ceased blooming for the first crop of flowers about Decoration day. Mr. Miller then put his scheme into effect and forced a second growth of blossoms, with which the bush is now covered. He says lilac bushes can be made to bloom twice each year if a person only knows how to go about it. Many interested in the cultivation of flowers have visited this rare specimen of August-blooming lilac, and Mr. Miller has been compelled to give away more than half of the blossoms.—East Oregonian.

To Cleanse the System

Effectually yet gently, when costive or bilious, or when the blood is impure or sluggish, to permanently overcome habitual constipation, to awaken the kidneys and liver to a healthy activity, without irritating or weakening them, to dispel headaches, colds, or fevers, use Syrup of Figs. Manufactured by the California Fig Syrup Co.

Persons troubled with diarrhoea will be interested in the experience of W. M. Bush, clerk of the hotel Dorrance, Providence, R. I. He says: "For several years I have been almost a constant sufferer from diarrhoea, the frequent attacks completely prostrating me and rendering me unfit for my duty at this hotel. About two years ago a traveling salesman kindly gave me a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Much to my surprise and delight its effects were immediate. Whenever I felt symptoms of the disease I would fortify myself against the attack with a few doses of this valuable remedy. The result has been very satisfactory and almost complete relief from the affliction." For sale by Blakeley & Houghton.

A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Groton, S. D. "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in Consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God I am saved and now a well and healthy woman." Trial bottles free at Blakeley & Houghton's drug store. Regular size 50c and \$1.00. Guaranteed or price refunded.

About one month ago my child, which is fifteen months old, had an attack of diarrhoea accompanied by vomiting. I gave it such remedies as are usually given in such cases, but as nothing gave relief, we sent for a physician and it was under his care for a week. At this time the child had been sick for about ten days and was having about twenty-five operations of the bowels every twelve hours, and we were convinced that unless it soon obtained relief it would not live. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended, and I decided to try it. I soon noticed a change for the better; by its continued use a complete cure was brought about and it is now perfectly healthy.—O. L. Boggs, Stumptown, Gilmer Co., W. Va.
