

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

Miller, lately editor of the Antelope Herald, accompanied by his wife, arrived on the Dixon last evening from Portland. Mrs. W. H. Moody and children will leave today for Salem. From that place they will go to Newport to spend a short time. W. They have evidently heard that young men are at a premium at the beach and are anxious to be "in the swim."

LONG BEACH ITEMS.

Notes Concerning Dallesites from One of the Pebbles on the Beach. Mrs. Geisendorfer is one of the latest arrivals at Sea View. Frank Cram was a visitor at Long Beach for a few days. Capt. Allyn, of the D. P. & A. N. Co. line, is spending his vacation with his family at Sea View. We heard it reported that men were a scarce article over at Clatsop. We are sorry for the girls over there; they should have come to Long Beach. We can hardly realize that we have lived where it was warm this summer, as we have to keep a fire all the evening and most of the day to be comfortable. Friday night there was a dance at the Long Beach hotel. It was well patronized by The Dalles colony. Roger Sinnott chaperoned twelve young ladies and Nick about half that number of married ladies (whose husbands are not on the beach.) You have all heard that a fish is at home in water; and the Dalles Fish are perfectly at home in salt water. Mrs. Fish has proven herself the best swimmer on the beach. She is not the "only oyster in the stew," but she is the biggest fish in the puddle. Miss Etta Story is the guest of Mrs. J. W. French. When she returns to The Dalles she will be more than a mere shadow, as she is already improving; in fact it would be advisable for

the city marshal to have the property-owners see that the sidewalks are in good repair, as it will require good walks for the heavy weights who will come from Long Beach about Sept. 1st.

On Monday evening a very enjoyable bonfire was given. The evening was interspersed with singing and conversation. Fruit, candy and nuts were passed. Among Dallesites present were Edna and Hattie Glenn, Lena Liebe, Mr. and Mrs. E. B. McFarland.

Last Saturday evening a very pleasant hop was given at the home of Mrs. Chase, and about forty persons were present. The older ones enjoyed themselves playing games, while the younger ones tripped the light fantastic until a late hour. During the evening light refreshments were served. Among those present were W. H. Wilson, Winifred Wilson, Bert Farrell, Edna Glenn, Grace Glenn, of The Dalles, Miss Martha Wilson, of Springfield.

The Dalles is very well represented on Long Beach. At Ocean Park the family of N. Harris and Geo. Miller, also H. Klindt and H. H. Riddell. At Tinkers Hon. Robt. Mays and Mr. Dawson were registered. At Centerville are the families of S. French, D. M. French and J. W. French, Mrs. Nellie Bolton and family, Mrs. Lytle and family, Mrs. McInnis and family, Mrs. Maier and children, Mrs. W. Lord, Miss Etta Lord, Miss Etta Story, Miss May Enright. At Sea View, Hugh Glenn and family, Mrs. J. S. Fish and family, Mrs. Sinnott, Messrs. Roger and Nick Sinnott and Frank Cram.

About one month ago my child, which is fifteen months old, had an attack of diarrhoea accompanied by vomiting. I gave it such remedies as are usually given in such cases, but as nothing gave relief, we sent for a physician and it was under his care for a week. At this time the child had been sick for about ten days and was having about twenty-five operations of the bowels every twelve hours, and we were convinced that unless it soon obtained relief it would not live. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended, and I decided to try it. I soon noticed a change for the better; by its continued use a complete cure was brought about and it is now perfectly healthy.—C. L. Boggs, Stumptown, Gilmer Co., W. Va. POINTS OF SUPERIORITY

The Vive Has all the Advantages of Every Other Camera and in Many Ways Superior to Any.

No other camera so simple and sure, or so quickly operated.

No other camera of the price takes such large pictures, or carries so many exposures at one loading as the \$5.00 Vive.

No other camera will allow of either using or not using holders at the will of the operator.

No other so inexpensively or readily enables one to use either glass plates or cut films, and in such numbers.

No other will hold glass plates and cut films so that both can be used at the same time.

No other camera includes, free, a full complement of universal metal combination holders.

No other camera has such simple, light and universal holders, or those which also hold any size of glass plates or cut films under the full size advertised for the respective sizes and styles of Vive cameras.

No other camera is so small and compact for the size of pictures taken.

No other is so easy to understand and operate.

The magazine of the Vive camera holds so many S. R. V. backed glass plates or cut films that daylight loading is unnecessary; quickly enabling the operator to carry in the camera and make from one to over one hundred exposures at one loading.

Avoid buying a camera where the required additional glass plate holders alone, almost double the advertised price, and then not be able to carry them in the camera.

We guarantee every Vive camera to do and be all that we claim in our catalogue, and to take pictures fully equal to illustrations shown therein. We also emphatically guarantee every sample picture we advertise, to be taken with the Vive, as stated.
