AMERICAN TARS RETURN HOME

Cannon Boomed and Whistles Shrieked Beside Which Every Person of Sound Lung Cheered Then Cheered Again.

New York, Aug. 20.—New York and the nation have fitly signalized their appreciation of the achievements of the victorious fleet. Early this morning a citizens' committee of ten boarded Admiral Sampson's flagship near Tompkinsville. The welcoming ceremonies were short, but impressive. The ceremonies over, amid the hoarse shrieking of steam whistles and the hosannas of the throngs on the shores and water, the mayor and committee boarded the steamer Glen Island.

There was a salute of cannon, and the cheers of the people and thousands of whistles made an indescribable din. Soon the monster pageant was in line.

The great battleships moved slowly and majestically. As governor's island was passed there was a tremendous report from the guns that did so much execution at Santiago and Guantanamo. The people on shore and afloat went wild. They yelled and screamed, waved flags and jumped up and down in patriotic fervor, and so it was all the way to Grant's tomb, where there was a final demonstration of patriotic fervor, such as New York has never witnessed before. The pageant was viewed and cheered by hundreds of thousands of people. It was a magnificent and indescribable scene, and one never to be forgotten.

The flagship New York led Sampson's fleet into port this morning, passing the Hook at 8 a. m. She was followed by the Iowa and Indiana. Then came the Brooklyn and Massachusetts, the Oregon guarding the rear.

Sampson is looking far better than when the war commenced, and is very glad to get home. Speaking of the crews, and especially the crews of the Indiana, Iowa and New York, who have had no shore liberty for seven months, he said: "They have borne privations in a manner beyond all praise."

BAD FIRE AT HOT SPRINGS

National and Windsor Hotels Burned—
Five Bodies Already Recovered From the Ruins.

Sr. Louis, Mo., Aug. 20.—Six persons lost their lives today by the burning of the National and Windsor hotels at Hot Springs. Five bodies were recovered from the ruins. M. R. Hudgings, of Indian territory, was killed by jumping from an upper window. Only two other bodies have been identified. They are those of Abe Matthews, of Greenville, Miss., and W. H. Wells, residence unknown.

The fire started about 2 a. m. in the National hotel, and spread rapidly. A number of guests escaped down the stairways, while others jumped from the windows of the second and third stories in their night clothes, barely getting out with their lives. Several who leaped were severely injured, and one unknown man is expected to die.

In addition to the two hotels, a cottage and livery stable were destroyed. The loss is estimated at \$250,000.

COSTLY BLAZE AT BAKER CITY

Four Costly Buildings Completely Destroyed and Another Damaged.

BAKER CITY, Or., Aug. 20.—Early this morning a disastrous fire occurred here. The McCord building, occupied by A. C. Shinn as a hardware store; Rust's opera house and two frame buildings were destroyed, and Rust's cold storage building was badly damaged. The loss is about \$20,000.

The flames were first discovered in Shinn's hardware store, at 2:15 o'clock. In a few minutes the building was a roaring mass of flames. Explosions of powder and cartridges kept the firemen away from the burning structure, and it was totally destroyed.

The flames had meantime spread to two frame buildings and Rust's opera house, all of which were reduced to ashes. Rust's cold storage plant, a brick structure, was badly damaged. The Brewery was saved by hard work.

as the millionaire head of enterprises he is regarded as a valuable acquisition to the commission.

Five of the nine men who were asked to lend their names and services to the labors designed to draw closer the ties between the United States and France have now sent an affirmative answer to the request. They are: Ferdinand W. Mackay, Senator Allison, of Iowa. Rev. E. E. Hale, of Boston. Frank Thompson, of Philadelphia. Alexander H. Revell, of Chicago.

Notice to Delinquent Taxpayers.

The delinquent taxes of Wasco county, as shown on the rolls now in the hands of the sheriff are \$60,000, an amount almost equal to the indebtedness of the county. Every citizen will doubtless admit that this state of affairs should not exist, and that all taxes should be collected. On account of hard times in the past the county court has shown leniency to taxpayers, but that leniency has reached the limit, and the court cannot wait longer on delinquents to make settlements. For this reason a warrant has been attached to each delinquent roll commanding the sheriff to collect all taxes by seizure and sale of property. With a bountiful crop now in sight, there can no longer be any reasonable excuse for the non-payment of taxes. The sheriff is bound by oath to comply with the terms of the warrants attached to the tax rolls for the collection thereof, and has no option in the matter. Delinquent taxpayers can save the cost of seizure and sale of property by settling their taxes at once.

ROBERT KEELY,
Sheriff and Tax Collector for Wasco County.
Dated, August 4, 1898.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Groton, S. D. "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in Consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God I am saved and now a well and healthy woman." Trial bottles free at Blakeley & Houghton's drug store. Regular size 50c and \$1.00. Guaranteed or price refunded.

Our baby has been continually troubled with colic and cholera infantum since his birth, and all that we could do for him did not seem to give more than temporary relief, until we tried Chamberlain's Colic, Cholera and Diarrhoea Remedy. Since giving that remedy he has not been troubled. We want to give you this testimonial as an evidence of our gratitude not that you need it to advertise your meritorious remedy.—G. M.
