THE FAREWELL OF A SPANISH INFANTRYMAN

A Soldiers Tribute to a Victorious
Foe.

HE LOVES NOT THE CUBANS

Most Remarkable Document From a
Vanquished Adversary—Thanks
and Best Wishes Tendered By the
Spanish Soldiers.

WASHINGTON, Aug. 22.—A document entirely unique in the annals of warfare was cabled to the war department today by General Shafter. It is in the form of a congratulatory farewell address issued to the soldiers of the American army by Pedro Lopez de Castillo, a private Spanish soldier, on behalf of the 11,000 Spanish soldiers. No similar document, perhaps, was ever before issued to a victorious army by an vanquished adversary. The president was very much impressed by the address, and after reading it carefully, authorized its publication. The following is the text of the address as cabled by General Shafter:

Santiago de Cuba, Aug. 22.—H. C. Corbin, Adjutant-General, U. S. A., Washington: The following letter has just been received from the soldiers just embarking for Spain:

"Major-General Shafter, Commanding the American Army in Cuba.—Sir: The Spanish soldiers who capitulated in this place on July 18th last, recognizing your high and just position, pray that through you all the courageous and noble soldiers under your command may receive the greatest wishes and farewell which we send them on embarking for our beloved Spain. For this favor, which we have no doubt you will grant, you will gain the everlasting gratitude and consideration of 11,000 Spanish soldiers, who are your most humble servants.

PEDRO LOPEZ DE CASTILLO,
"Private of Infantry."

Also the following letter, addressed to the soldiers of the American army:

"Soldiers of the American army: We would not be fulfilling our duty as well-born men in whose breasts there lives gratitude and courtesy, should we embark for our beloved Spain without sending to you our most cordial and sincere good wishes and farewell. We fought you with ardor, with all our strength, endeavoring to gain the victory, but without the slightest rancor or hate toward the American nation. We have been vanquished by you (so our generals and chief judged in signing the capitulation), but our surrender and the bloody battles preceding it have left in our souls no place for resentment against the men who fought us nobly and gallantly. You fought in compliance with the same call of duty as we, for we all but represent the power of our respective states.

"You fought us as men, face to face, and with great courage, as before stated, a quality with which we have not met during the three years we have carried on this war against the people without morals, without conscience and of doubtful origin, who would not confront the enemy, but hidden, shot their noble victims from ambush and then immediately fled. This was the kind of warfare we had to sustain in this unfortunate land. You have complied exactly with all the laws and usages of war as recognized by the armies of the most civilized nations of the world; have given honorable burial to the dead of the vanquished; with humanity have respected and cared for your prisoners and their comfort, and, lastly, to us, whose condition was terrible, you have given freely of food, of your stock of medicines, and you have honored us with distinguished courtesy,

for, after the fighting, the two armies mingled with the utmost harmony.

"With this high sentiment of appreciation from us, all there remains but to express our farewell, and with the greatest sincerity, we wish you all happiness and health in this land which will no longer belong to our dear Spain, but will be yours, who have captured it by force and watered it with your blood, as your conscience called for, under the demand of civilization and humanity, but the descendants of the Congo and of Guinea mingled with the blood of unscrupulous Spaniards and of traitors and adventurers, these people are not able to exercise or enjoy their liberty, for they will find it a burden to comply with the laws which govern civilized communities.

"From 11,000 Spanish soldiers.
"PEDRO LOPEZ DE CASTILLO,
"Soldier of Infantry.
"Santiago de Cuba, August 21, 1898."
SHAFTER, Major-General.

TROUBLE FEARED IN PORTO RICO

Attempts Being Made to Stir Up Strife
Among the Porto Ricans—Coming
of the Commission Awaited.

NEW YORK, Aug. 22.—A dispatch to the Herald from San Juan says:

Order prevails, although some evil-disposed persons are trying to stir up racial and religious differences among the ignorant population. The sooner the commission arrives to settle matters and dispel doubts the better for the future.

The streets are filled with furniture-laden carts returning from the suburbs. At the palace and other government buildings the work of packing the archives is going on. Telegraphic communication was opened yesterday with all parts of the island.

It is still impossible for large ships to enter the harbor and there have been no importations. Some scarcity of food supplies exists. The mines in the harbor have been raised so as to allow ships to enter.

They are guaranteed to cure or price refunded. For sale at Blakeley & Houghton's drug store, only 50 cents per bottle.

Notice to Delinquent Taxpayers.

The delinquent taxes of Wasco county, as shown on the rolls now in the hands of the sheriff are \$60,000, an amount almost equal to the indebtedness of the county. Every citizen will doubtless admit that this state of affairs should not exist, and that all taxes should be collected. On account of hard times in the past the county court has shown leniency to taxpayers, but that leniency has reached the limit, and the court cannot wait longer on delinquents to make settlements. For this reason a warrant has been attached to each delinquent roll commanding the sheriff to collect all taxes by seizure and sale of property. With a bountiful crop now in sight, there can no longer be any reasonable excuse for the non-payment of taxes. The sheriff is bound by oath to comply with the terms of the warrants attached to the tax rolls for the collection thereof, and has no option in the matter. Delinquent taxpayers can save the cost of seizure and sale of property by settling their taxes at once.

ROBERT KEELY,
Sheriff and Tax Collector for Wasco County.

THE REPUBLIC IS NO MORE

America's First Break Toward Territorial Expansion—Impressive and
Beautiful Ceremony at Honolulu.

SAN FRANCISCO, Aug. 22.—The steamer Belgic this evening brought the following:

HONOLULU, Aug. 12.—Precisely at eight minutes to 12 o'clock today the Hawaiian flag descended from the flagstaff on all the government buildings, and exactly at five minutes to the same hour, the Stars and Stripes floated on the tropical breeze from every official flagstaff.

The ceremony of today was a most impressive one. To hear the strains of "Hawaii Pono!" for the last time, as a national anthem, to hear the bugle blow taps as the Hawaiian ensign sank from his position, and to notice the emotion of many who had been born under it and had lived under it, was solemn. But then came the bright call for raising Old Glory, and the strains of the "Star Spangled Banner" broke forth as that banner was unfurled to the breeze. Then cheers broke forth, and eyes which had been dim for a few moments became bright and lightened up when the Stars and Stripes blew out.

The picture presented in and around the extensive building was most striking. In the grounds and around all the approaches were crowds of onlookers of every station of a varied nationality. Notably remarkable was the number of Hawaiians. Within the grounds the military and naval display was fine. Hawaiian troops, United States marines, the mounted patrol, the police and the citizen's guard presented a splendid appearance, while the platform for the exercises and the verandas of the executive building were gay with brilliant summer dresses, dancing feathers and ribbons and the brightest faces that Honolulu possessed.

The ceremonies opened with prayer by Rev. G. L. Pearson, pastor of the First Methodist church, of this city. United States Minister Sewall then rose, and, addressing President Dole, who had risen, presented him with a certified copy of the joint resolution of congress annexing the Hawaiian islands to the United States.

President Dole answered, acknowledging the making of the treaty of political union, and formally yielded to Minister Sewall, as the representative of the government of the United States, the sovereignty and public property of the Hawaiian islands.

A DISPATCH FROM SHAFTER

Over Twenty Thousand Spaniards
Surrendered at Santiago.

WASHINGTON, Aug. 22.—A dispatch received by Adjutant-General Corbin tonight from General Shafter indicates that, with the fall of Santiago, 23,726

Spaniards surrendered. Of this number a few less than 3000 were guerrillas and volunteers, making the total to be returned to Spain about 21,000. General Shafter recommends that all the captured Mauser rifles and the ammunition for the same be shipped to some arsenal in the North, with as little delay as possible, in order to prevent rust. There are several million rounds of this ammunition, he reports, and probably 10,000 to 12,000 stands of these arms. A large number of those turned over by the Spaniards were Remingtons, and other inferior weapon. General Shafter reports that there is no sickness among the incoming regiments.

POINTS OF SUPERIORITY

The Vive Has all the Advantages of Every Other Camera and in Many Ways Superior to Any.

No other camera so simple and sure, or so quickly operated.

No other camera of the price takes such large pictures, or carries so many exposures at one loading as the \$5.00 Vive.

No other camera will allow of either using or not using holders at the will of the operator.

No other so inexpensively or readily enables one to use either glass plates or cut films, and in such numbers.

No other will hold glass plates and cut films so that both can be used at the same time.

No other camera includes, free, a full complement of universal metal combination holders.

No other camera has such simple, light and universal holders, or those which also hold any size of glass plates or cut films under the full size advertised for the respective sizes and styles of Vive cameras.

No other camera is so small and compact for the size of pictures taken.

No other is so easy to understand and operate.

The magazine of the Vive camera holds so many S. R. V. backed glass plates or cut films that daylight loading is unnecessary; quickly enabling the operator to carry in the camera and make from one to over one hundred exposures at one loading.

Avoid buying a camera where the required additional glass plate holders alone, almost double the advertised price, and then not be able to carry them in the camera.

We guarantee every Vive camera to do and be all that we claim in our catalogue, and to take pictures fully equal to illustrations shown therein. We also emphatically guarantee every sample picture we advertise, to be taken with the Vive, as stated.
