Red Mesta Orange and Orangeade at the Dalles Drug Store. These are the latest and most popular drinks in the Eastern cities.

Constable Hill returned from Portland today having charge Charles Wood who is charged with obtaining money under false pretenses. Wood has been placed in jail and will have his hearing in the justice court tomorrow.

G. C. Millet, a well-known town county lawyer, who lives near Junction City, completed changing his offices Wednesday. He saved 14,000 bottles of wine and 2000 bottles of stout and beer from 600 acres of land, an average of 300 bottles an acre.

The Dalles Statesman observes that the "beautiful Willamette" will have a reputation as a river if it gets much lower. Old houses, snags and other unseemly sights generally covered with a healthy flow of water are at present high and dry on the upper rivers.

Klamath, the Oregon Indian Indian sheep stick, is nothing if not progressive. On a visit to The Dalles, J. C. Hall, the other week, he purchased, among other supplies for his rooms, a windmill, pump tank and a large quantity of pipe, which he proposes to use in bringing his land.

The disease reported to be glanders among the horses in the White Bear lake country, 19 miles east of Cottage, is said to be a species of glanders.

While a number of horses have died from the disease this season, the extent of the spread of the malady has been much diminished by the wall directed efforts of Finley.

A large wool sale took place at the Wason Warehouse yesterday. Charles Duffett, of Ashley, sold the entire city of about 50,000 pounds to Mr. Willis, who represents Chicago Reading.

This is considered a very good price.

Mr. Base is not sure he will hold this long. This sale does not indicate that the butter falls out of the market just and the market will have the effect of causing the present increased demand for butter.

A picture of the silk flag which was donated by the B. P. O. E. of this city, to C. O. G. O. M. and was presented to the Elks by Mr. Gifted, is in Matteau School.

Canned goods from the Pacific were in all probability bought out by necessity. Romance has the same way a customer would favor by returning a favor.

In launching the boat, however, the boatmen were in doubt about the success of the crusade. The money had not been readily gotten.

The Dufur, with the 150 more barrels and other planting in her hold, was too good to be accidentally float the boat to Portland. The most difficult part of the whole matter will be taking the boat through the swift water below the locks; this will not be attempted, however, until it is put in shape so that the same will not be endangered by any further accidents.

J. Frank Watson sold on ex-Sheriff R. C. Agee, of Douglas county, in Roseburg, for 10000.00. It seems Watson secured on June 8 a divorce and separated against the Sheriff of Douglas county, of Rome, for 5000.00, and a divorce was declared in the county court of Rome.

A corporation was issued and the date of issuance was Wednesday night. This corporation was set for Saturday, August 9th. E. B. Dufar made a motion that the matter be referred to C. L. Broom. Elected 830 per month including August. Motion carried.

On motion of two committees of the M. R. and R. B. Rolison was appointed to examine the services of some one well known to prepare plans and specifications regarding the improvement of the water system.
