

SYRUP OF FIGS

NEVER IMITATED IN QUALITY.

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

Puny Children

Who would prescribe only tonics and bitters for a weak, puny child? Its muscles and nerves are so thoroughly exhausted that they cannot be whipped into activity. The child needs food; a blood-making, nerve-strengthening and muscle-building food.

Scott's Emulsion

of Cod-Liver Oil is all of this, and you still have a tonic in the hypophosphites of lime and soda to act with the food. For thin and delicate children there is no remedy superior to it in the world. It means growth, strength, plumpness and comfort to them. Be sure you get SCOTT'S Emulsion.

Why do we retail more Cigars than others?
 Why do smokers go out of their way and pass cigars of the same grade?
 Not because we have better cigars or better brands, or any greater variety; no, not that.

Why, because we have the finest cigar case in the state and keep our cigars in better condition.
