

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the California Fig Syrup Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the California Fig Syrup Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other pas ties. The high standing of the CALI-FORNIA F12 SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company -

CROPS AND WEATHER.

Very Encouraging Reports From All Parts of The Interior-Weather Assumes its Autumu Characteristics.

Showers with thunder, or the result of thunder-storm conditions, occurred on August 29th to 31st and September 3d, amounting to from a trace to 0.23 of an inch. The mean temperature for the week averaged 66°, which was 10° lower than for the preceding week and 3" higher than for the corresponding week of last year. During the same week of last year, heavy and general rain fell. The highest temperature during the week was 78°, on Friday; the lowest 40°, on Sunday morning.

In Union county, considerable grain is still to be cut; elsewhere it is practically all cut, though not threshed. In sections threshing is well along, in others it is about finished. Reports continue as to the favorable yield. One correspondent reports: "The grain crop this year, in quality and yield, is the best in fourteen years." Many correspondents report that the grain crop is up to all expectations, and as expectations were high, a good crop has resulted. Fall seeding has commenced. Some are seeding in the dust, in the hope that the rains will give it proper position.

One correspondent reports: "Prunes, early apples, blackberries and peaches are abundant, and are being shipped to a considerable extent. Threshing is over, and a larger grain crop than usual has been stored away. Baled hay and straw, potato patches, cornfields, clipped

meadows, and numerous fat cattle meadows, and numerous fat cattle General Debility wandering over the opens, all indicate comfort for man and beast during the coming winter."

have been cut twice, and are growing again for pasture."

and work commenced for next year's to do what

The weather conditions have assumed their their characteristics. Cooler nights with warm days will prevail, until the winter storm conditions appear.

THE LADIES.

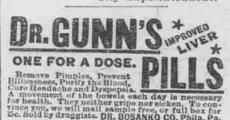

The pleasant effect and perfect safety with which ladies may use Syrup of Figs, under all conditions, makes it their favorite remedy. To get the true and favorite remedy.
