Thin Blood Where the blood loses its intense red—grows thin and watery, as in anemia, there is a constant feeling of exhaustion, a lack of energy—vitality and the spirits depressed.

Scott's Emulsion of Cod-liver Oil with Hypophosphites of Lime and Soda is peculiarly adapted to correct this condition. The cod-liver oil, emulsified to an exquisite fineness, enters the blood direct and feeds its every corpuscle, restoring the natural color and giving vitality to the whole system. The hypophosphites reach the brain and nerve centres and add their strengthening and beneficial effect. If the roses have left your cheeks, if you are growing thin and exhausted from over-work, or if age is beginning to tell, use SCOTT'S Emulsion. Be sure you get SCOTT'S Emulsion. All druggists; 50c and \$1.00. SCOTT & BOWNE, Chemists, New York.

A CRITICAL TIME During the Battle at Santiago.

SICK OR WELL, A RUSH NIGHT AND DAY.

The Packers at the Battle of Santiago de Cuba Were all Heroes—Their Heroic Efforts in Getting Ammunition and Rations to the Front Saved the Day.

P. E. Butler, of pack-train No. 3, writing from Santiago, De Cuba, on July 23d, says: "We all had diarrhoea in more or less violent form, and when we landed we had no time to see a doctor, for it was a case of rush and rush night and day to keep the troops supplied with ammunition and rations, but thanks to Chamberlain's Colic, Cholera and Diarrhoea Remedy, we were able to keep at work and keep our health; in fact, I sincerely believe that at one critical time this medicine was the indirect saviour of our army, for if the packers had been unable to work there would have been no way of getting supplies to the front. There were no roads that a wagon train could use. My comrad and myself had the good fortune to lay in a supply of this medicine for our pack-train before we left Tampa, and I know in four cases it absolutely saved life." The above letter was written to the manufacturers of this medicine, the Chamberlain Medicine Co., Des Moines, Iowa. For sale by Blakeley and Houghton.
