

THE EXCELLENCE OF SYRUP OF FIGS

is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless finitations manufactured by other pas ties. The high standing of the CALI-FORNIA FIS SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor mauscate. In order to get its beneficial effects, please remember the name of the Company -

Notice to Delinquent Taxpayers.

The delingent taxes of Wasco county, as shown on the rolls now in the hands of the sheriff are \$60,000, an amount almost equal to the indebtedness of the county. Every eitizen will doubtiess admit that this state of affairs should not exist, and that all taxes should be collected. On account of hard times in the past the county court Las shown leniency to taxpayers, but that leniency has reached the limit, and the court cannot wait longer on delinquents to make settlements. For this reason a warrant has been attached to each delinquent roll commanding the sheriff to collect all taxes by seizure and sale of property. With a bountiful crop now in sight, there can no longer be any reasonable excuse for the non-payment of taxes. The sheriff is bound by oath to comply with the terms of the warrants attached to the tax rolls for the collection thereof, and has no option in the matter. Delinquent taxpayers can save the cost of seizure and sale of property by settling their taxes at once.

ROBERT KELLY, Sheriff and Tax Collector for Wasco County.

Dated, August 4, 1898.

All persons are warned not to purchase said note, and that the maker thereof will not pay it. WILLIAM O. PATTERSON,

Deatness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused Co.'s. by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free. F. J. CHENEY & Co., Toledo, O.
