THEIR RECOMMENDATIONS.

The legislator who is now on duty at Salem has an immense responsibility imposed upon him. He owes an obligation to his constituency, as well as to the members of his own party.

If he keeps in mind the best interests of the people, he will vote for a man who has every qualification for senator. He will take into consideration the experience of the individual in public life and his standing before the people. That man must have some qualification other than that he has "a barrel" which he has tapped freely. He must be a man who does not parade hoodlums all over the state with a "grip" full of cash to pervert the will of the voters.

What has H. W. Corbett to recommend him but his money?

Years ago in his prime, Mr. Corbett made a very acceptable senator. But that time is long past. He is infirm, both bodily and mentally. It is a living disgrace to even attempt to impose him upon the people of Oregon.

He has unfortunately allied himself with the worst element in Oregon. Graham Glass, a "sackholder" who boasts of his ability to thwart the wishes of the voters, is at Salem, and states openly as long as he is there Mr. Corbett need not go. Attorney Joseph, who was arrested for corruption in Portland about two years ago, and who was saved from the "pen" by a hair's breadth, was showing members "courtships" in the metropolis yesterday, according to instructions. THE CHRONICLE regrets that members do not know the reputation of these men and their assistants, else they would shun them. To be seen with them is damaging to the reputation of any member.

And too, every member who votes for Mr. Corbett, the man with the one qualification, will find himself under suspicion of having been bought up like a swine at the pen. He may be honest in his convictions, but that will not relieve him from the stigma.

Why not support a man who has everything to endorse him for the senatorship? THE CHRONICLE's candidate, Hon. M. C. George, is such a man. He is sound on all party questions, has had service in congress and is a distinguished member of the bar. He has no "barrel" and needs none. He is in the prime of manhood. He has no corruptionists hanging to him. His support comes from the better element of the Republican party who want to lay down all factional strife and make a new deal. He is the natural selection, and the CHRONICLE believes will be chosen at Salem to complete the term left vacant by the "hold-up at Salem last winter."

The Dalles, or rather this vicinity, furnishes two victims for the murderer's club. One night recently Ray Sink is killed at Salem and his remains are found floating in the Willamette. Robert Fulton is found insensible near Walla Walla, suffering with terrible injuries, and died before recovering his senses. Robbery is attributed as the object in both cases.

The Republicans of Oregon do not want any faction to rule. They are heartily tired of factionalism. They want a senator elected, but their choice is a man who has had nothing to do with party vows. They want peace, and this can never be brought about unless conservative men are elected.

Senator Taylor, of Pendleton, ought to make a splendid president of the senate. He would please all factions. Eastern Oregon should stand for him.

CUBA AND THE CUBANS.

Dr. Thomas' Lecture At the Christian Church.

Mr. George E. Knepper, president of the Normal College at Lewiston, Idaho, has the following to say in favor of Dr. Thomas, who will deliver his famous lecture on "Cuba and the Cubans" at the Christian church Wednesday evening, September 28th:

"Dr. C. N. Thomas lectured under the auspices of the Normal Literary Society at Lewiston, Idaho, on September 19, 1898. The lecture was satisfactory in every respect. He leaves Lewiston carrying with him the highest appreciation of the large audience that heard him." GEO. E. KNEPPER, Pres. Normal College, Lewiston, Idaho.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

Asthma, Bronchitis and all throat and lung affections are positively cured by Dr. King's New Discovery for Consumption. Trial bottles free at Blakeley & Houghton's drug store. Regular size 50 cents and \$1.00. Guaranteed to cure or price refunded. 2
