NEVER IMITATED IN QUALITY.

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

the city, and will return to her home in Colfax tomorrow, having spent a few days with relatives here.

Mr. and Mrs. Theodore Laebe, of Portland, Mrs. Gerechten, of San Francisco, and Miss Burckhardt, of Portland, who have been guests at the home of Judge Laebe, were passengers for Portland this morning.

**ENTERTAINED BY THE ELKS.**

The Members of The Wizard Oil Company partake of Their Hospitality.

Many of the theatrical companies which visit our city have reason to remember kindly the treatment received by them at the hand of the Elks of The Dalles. Generally among the members of the company will be found a number who are affiliated with that order, and who take great pleasure in broussing for a few hours with their brothers. Such was the case Saturday evening when after their concert the Wizard Oil Company met with them at their hall and spent a few hours in social communion.

While entertainment had been prepared by the order, they were in turn highly entertained by their guests, who sang, recited and gave numerous specialties during the evening. As a climax to a most enjoyable time a banquet was served, which requires no description when we consider just how fastidious the members of this order are when the wants of the inner man are concerned. Beside, the "proof of the pudding is in eating it", and while the guests may have had a puddin', from where we're sitting it would be difficult to describe its flavor.

**Accidently Shot.**

Saturday in the afternoon, while Paul French and Harold Thompson were hunting near the fruit farm of Rev. O. D. Taylor, about three miles from the city, Harold's gun became unruly and accidently discharged, sending a bullet through Paul's leg, just above the knee. Neither one of the boys seems to know just how it happened, and were both badly frightened, Harold feeling extremely grieved to think of the narrow escape of his little friend. Rev. Taylor brought them home in his buggy and a surgeon was called, who soon found that the wound was not a dangerous one, and at first gave Paul little pain, although as the hours passed by it grew more sore, and will perhaps confine him to the house for a few weeks.

The boys were not to blame, and they are to be congratulated that what might have been a fatal accident, or by striking a few inches lower have caused lameness for life, ended so fortunately.

**Wizard Oil Co. Tonight.**

Wizard Oil Company open again tonight at the Baldwin opera house, with an entire change of program from that given last week. They will also give away many new and beautiful presents, among them being a combination set, containing twenty-seven pieces of triple plated silverware, to people buying reserved seat tickets, which will be on sale at the Umatilla House. The show tonight will contain new songs, new farces and laughable specialties. Admission fifteen cents; reserved seats twenty-five cents.

**RETURN OF THE REGULATOR.**

Our Old Friend Towed up Yesterday From the Locks—A Little Disabled, But Still in the Ring.

The news that our tried old friend was to return home last evening, caused a large crowd to gather at the dock of the D. P. & A. N. Co. at 8:30 to welcome her back, and as the Inland Flyer and little tug, Pearl, which belongs to the lumber company at Viento, made their appearance towing the disabled craft between them, to many it seemed like the return of a scarred warrior from battle. Indeed the Regulator does look somewhat the worse for wear; but when she dons her new fall jacket and comes forth in her new riggin' the swells will stand back and watch her go by.

It was considered advisable to bring the Regulator to this city and beach her, so that she would be dry when her new hull, which is being built in Portland, is finished. Accordingly yesterday about 10 o'clock, the two crafts above mentioned started up the river with their burden homeward bound, reaching here about 8:30, and she now looks more comfortable as she rests on the bosom of Mother Columbia at the foot of Washington street.

In about six weeks her new hull will be completed and brought to The Dalles, where the disabled house will be placed on it, thoroughly repaired and as good as new. The upper deck now is in a fair condition, but the lower will need much work before she is in good trim. Dalles people will welcome the day when the Regulator again lifts her head and proudly bids defiance to the winds and waves which downed her. And she will lord it over them when she does.
