THE PROBABLE RESULT.

The result of the organization yesterday at Salem indicates that H. W. Corbett is not the choice of the legislature. To the majority of the voters this is welcome news. For the future welfare of the Republican party, such a result is sincerely hoped.

Simon carried his point in the senate. This was conceded. He had support from Republicans who are openly opposed to Mr. Corbett, hence there could be but one result in that quarter.

In the house a different condition of matters exist. Maxwell, the open and avowed candidate of Simon for speaker, was turned down for Carter, the anti-Simon man. The house has twice the membership of the senate, and thus in a senatorial contest is a much more powerful body.

In the senatorial contest in 1895, Simon had both houses in the organization, and yet with more Republican representatives than exists in this legislature, Mr. Dolph was defeated. This paper regrets that Mr. Dolph was beaten, however, and this incident is mentioned merely to prove to the Republicans of Oregon, who believe that our state should not be blighted by being misrepresented, that the election of Simon in the senate is no indication that Mr. Corbett has a walkover.

Indeed THE CHRONICLE believes that a broad minded, well-balanced man of mature years will be selected. If such a man is not it will be because too many of the members have listened to the silvery voice of the goddess, gold. This is a terrible imputation to make, but in the light of the facts it is best to speak plain so that the readers of this paper will know how and where to place the responsibility if H. W. Corbett is thrust upon them. They know that he is not the proper person to represent them; that he is too old and childish. But a great effort is being made through the Glasses, the Josephs and the Sullivans, three types of "respectability" which are more often found around legislatures and state penal institutions than elsewhere, to "persuade" the Oregon legislature that the man of one qualification is to be the senator. Some, it is true, will support him on principle, but they will stand under the charge of having been unduly influenced, regardless of their position.

THE CHRONICLE does not deem it necessary to say that a gold standard man must be chosen. No other sort of a man will apply, because gold standard and Republican are synonymous. The party stands plainly before the people on that question. Hence it is idle to talk about the possibility of selecting any other person except a Republican. With this idea in view, and with the idea of harmony in the party, THE CHRONICLE has not found a more acceptable man than Hon. M. C. George, its candidate. His candidacy is meeting with general favor everywhere. THE CHRONICLE believes that he will be chosen.

Mr. Corbett made the mistake, many years ago, of attempting to buy his way into the senate. He was then senator and in the prime of life, but it seems that "there were others" and Mr. Corbett brought his cash in to action, was caught, exposed and then gave up the fight.

As a matter of fact, it is now conceded that there will be no senatorial caucus. When this fails, Corbett's last chance goes glimmering.

"Baby" Jones, of Wasco county, has a promise of a place on the railroad commission and is hanging

around Salem. He is no stranger to the lobbies, where he put in his time last session, instead of occupying his seat to which the voters had elected him.

Larry Sullivan, the king of sailor-boarding-house keepers, is in Salem helping "de push" in line by putting before the members the "qualification" which is supposed to blind them and get their votes for Corbett.

Deafness Cannot be Cured
 by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.
