CONFERENCE AT WASHINGTON

Request From Day for New Instructions.

Washington Officials Admit That the Philippine Question Must Be Settled Before Consideration of Other Terms is Entered Upon.

NEW YORK, Oct. 5 .- A special to the Herald from Washington says:

As a result of a consultation at the White House between the president and Secretaries Hay and Long. fresh instructions regarding the Philippines have been addressed to the American commissioners in Paris. They do no materially alter departure for France, but are on a new point brought up since the consultation of Major-General Merritt with the American representatives.

A cipher dispatch was received by Secretary Hay regarding the matter, and he considered the question so important that he at once went to the White House and laid it before the presiofficials were closeted together for more than an hour.

These perience and Dr. Reason to hold a consultation together, they will give you the best advice that can be taken."
