

THE EXCELLENCE OF SYRUP OF FIGS
 is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

A Pendleton dispatch says: Saturday afternoon some children were at play in a barn owned by Sim Hutchinson, a farmer living near this city. Among them was the little 3-year-old daughter of Mr. Hutchinson. The children had some matches, which they ignited. Some straw caught fire, and this was communicated to the barn. All the children except the little Hutchinson girl fled. She was left at the mercy of the flames. A neighbor, Brown by name, rushed in and found the child hanging by her hands to a piece of burning scantling. Her clothing was on fire. He grasped her in his arms and rushed out into the open air, rolling her on the ground and extinguishing the flames. It was found that her legs, back, arms and head were frightfully burned. Drs. Cole and Vincent were called, and succeeded in allaying

ing her pain. Brown, who so heroically rescued the child, was badly burned on his hands and arms. Today the child died of her injuries.

SCROFULA.

One of America's most famous physicians says: "Scrofula is external consumption." Scrofulous children are often beautiful children, but they lack nerve force, strong bones, stout muscles and power to resist disease. For delicate children there is no remedy equal to
Scott's Emulsion
 of Cod-liver Oil with Hypophosphites of Lime and Soda. It fills out the skin by putting good flesh beneath it. It makes the cheeks red by making rich blood. It creates an appetite for food and gives the body power enough to digest it. Be sure you get SCOTT'S Emulsion. 50c. and \$1.00; all druggists.
