

SYRUP OF FIGS

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP CO. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP CO. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

Says: "The fool saith, 'Put all thy eggs in different baskets,' which means, scatter your money and your attention; but the wise man saith: 'Put all your eggs in one basket, and watch the basket.'"

We have only one basket, and we are watching it in optics. Having made a thorough study of the subject, graduating from three of the best colleges, we are enabled to give you a scientific examination. It doesn't matter whether you buy a \$10 glass or a \$1 glass, or any glasses at all, you get an examination, and a thorough one at that, which alone is worth your time to know your eyes. I fit all cases of eyes, and am permanently located in The Dalles. I am not traveling fake, and best of all I guarantee all work in optics to give you entire satisfaction.

Yours to serve,

APPROPRIATION BILL DISCUSSED.

Sweeping Reductions Made—Retention of the Present Officers Decided. Mrs. Geer's Body Will Arrive Tomorrow.

STATE HOUSE, Salem.—The appropriation bill occupied the senate last night until 11 o'clock. Sweeping reductions were made. Today the house would not concur. The time of adjournment has been extended until midnight tonight. Over one hundred clerks are now employed by the legislature, and paid from \$3 to \$5 per day. The great sticker in the appropriation bill is the item to pay the members of the house of the 1897 session. The desks of members present a desolate appearance.

Resolutions recommending the retention of the present officers at the regular session have been adopted in the house.

One senate amendment to the general appropriation bill has been stricken out, that of the \$15,000 for the Ashland normal school. The house would not concur in this.

The body of the late Mrs. Geer will arrive in Salem tomorrow noon. Impressive ceremonies will be held at the MacLay home, and wagon loads of flowers have already been cut for the funeral. The state officials will act as pall bearers.

Races During The Fair.

The outlook for the races at the fair is very good, much interest being manifested in them. Already at the track are found such horses as "Lo Lo," "Jim Bozeman," "Twister," "Mark Hanna," "Senator Wilson," "Nerooso," "Begonia," and "Volta." There are also four or five saddle horses training for the saddle race, and ponies galore for the pony race. Monday morning it is expected that four or five carloads of trotters and pacers will arrive from La Grande.

Among those who have horses which it is thought would win honors in the roadster race and who it is hoped will enter them, are Messrs. Schneck, Hobson, Pease, Fowler, Stephens, McInerney, Rhodes, Hinton, Marchie, Downing, Moody, Comini and MacAllister. Many of the gentlemen mentioned or others, desire to enter for the roadsters race, it is requested that they do so between this time and Monday evening.

Mr. S. L. Brooks, formerly president of The Dalles & Columbia River Company, of the Regulator steamer line, running between Portland and The Dalles, is visiting in Astoria. Mr. Brooks is accompanied by Mrs. Brooks, Miss Mabel C. Cowles, and Mrs. E. V. Canfield, of St. Paul, Minnesota. The party took a trip to Ilwaco yesterday morning, returning to the city in the evening. Mr. Brooks says the people of The Dalles are in sympathy with Astoria in the common point controversy, and look upon this city as the natural shipping point for Inland Empire products.—Astorian.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
