

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP CO. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP CO. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

A Clever Trick.
It certainly looks like it, but there is really no trick about it. Anybody can

try it who has lame back and weak kidneys, malaria or nervous troubles. We mean he can cure himself right away by taking Electric Bitters. This medicine tones up the whole system, acts as a stimulant to the Liver and Kidneys, is a blood purifier and nerve tonic. It cures constipation, headache, fainting spells, sleeplessness and melancholy. It is purely vegetable, a mild laxative, and restores the system to its natural vigor. Try Electric Bitters and be convinced that they are a miracle worker. Every bottle guaranteed. Only 50c a bottle at Blakeley & Houghton's drug store. 3

Three Doctors in Consultation.

From Benjamin Franklin.
"When you are sick, what you like best is to be chosen for a medicine in the first place; what experience tells you is best, to be chosen in the second place; what reason (i. e., Theory) says is best is to be chosen in the last place. But if you can get Dr. Inclination, Dr. Experience and Dr. Reason to hold a consultation together, they will give you the best advice that can be taken."
When you have a bad cold Dr. Inclination would recommend Chamberlain's Cough Remedy because it is pleasant and safe to take. Dr. Experience would recommend it because it never fails to effect a speedy and permanent cure. Dr. Reason would recommend it because it is prepared on scientific principles, and acts on nature's plan in relieving the lungs, opening the secretions and restoring the system to a natural and healthy condition. GRACE AMONG WOMEN.

Not Many Know How to Rise and Sit Down Properly.
Many women neglect to cultivate a graceful way of rising from a chair. Probably nine women out of ten in rising from a seat shift their weight from one foot to another in the act of getting up and start off upon the wrong foot. The proper way is to rest the weight upon one foot while still sitting, holding the other lightly upon the floor. Now rise by pressing down hard upon the foot that has previously been bearing the weight, stand erect and still for a mere second to get poise and start off lightly upon the free foot. If there is to be a turn in the walk stop with all the weight upon the foot that is in advance, rest only the toe of the rear foot on the ground, then turn around smoothly by transferring the weight to the free foot, making the turn entirely upon the balls of the feet with the heels scarcely touching the floor. A turn like this is as rare as it is graceful, yet it can be acquired in half an hour's practice.

A perfectly graceful woman is graceful in everything she does—in the pose of her head, the unfolding of her hands, in her walk, in the way she rises and sits. As to the last little can be said and a pretty way is easily demonstrated. What not to do is to fall heavily upon a seat like a badly jointed doll without nerves. A sensitive woman feels her way daintily, unbending with a smooth, slow motion till she appears to have settled down safely as a cloud sinks into the bosom of a lake. Such a one will know how to rise also and can make the difficult transition between her chair and the doorway without one of those awkward jerks and starts that render half of feminine creation laughing stock upon public thoroughfares, and especially in public conveyances.—Chicago Chronicle.

She—Dear me, that's the first thought you've had this evening.—Cleveland Leader.
It's Human Nature.
This readiness to accept the wonderful and miraculous in preference to commonplace truth. A plausible and glib-tongued doctor can go from town to town curing, or trying to cure, people, and have a great influx of shakels, while every community in which the so-called doctor goes is supplied with quiet, learned practitioners, who have forgotten more than the fakir ever learned, and they can give you the best treatment within the reach of human knowledge. While your home doctors carry you from year to year, get up at all times of the night and are your servants during the day, and you pay them when you are well or able, the fakir gets the cash, and is gone forever. If your eyes are troubling you in any way, call on Prof. P. G. Daut, the only graduated optician or doctor of refraction in The Dalles, two doors west of Keller's bakery. I am here to stay, and guarantee all eye work. PROF. P. G. DAUT.
