

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP CO. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP CO. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

"Hamlet" Tonight.
From the New York Tribune in regard to Mr. Samuel E. Wells' Hamlet: "The recital of Hamlet last evening, by Samuel E. Wells, was listened to by an audience of about 1200 persons. It was certainly a scholarly production, a marvelous piece of work from start to finish, and entertaining in the highest degree, much more so than the usual stage representations of the play."

Mr. Wells impersonates this interesting play at the Baldwin tonight. Admission 25 cents.
The Oregon Railroad & Navigation Company have done another "good turn" for Oregon. Through its efforts the National Editorial Association will hold its regular annual session for 1899 in Portland. It will be attended by newspaper men from all parts of the United States. One of the influences that attracted the meeting of Portland was the speech made by Colonel Pat Doran, at the recent annual session of the association in Denver. The passenger department of the O. R. & N. Company, under the wide awake management of W. H. Hurlburt, the general passenger agent, sent Colonel Doran there to make that speech. It did the business, and the press boys from all parts of Uncle Sam's domain are coming to Portland—to where rolls the Oregon—and we should all give them a most royal welcome.—East Oregonian.

Address, AMERICAN WOOLEN MILLS CO., Chicago. 0-12-2w

It's Human Nature.
This readiness to accept the wonderful and miraculous in preference to com-

monplace truth. A plausible and glib-tongued doctor can go from town to town curing, or trying to cure, people, and have a great influx of shakels, while every community in which the so-called doctor goes is supplied with quiet, learned practitioners, who have forgotten more than the fakir ever learned, and they can give you the best treatment within the reach of human knowledge. While your home doctors carry you from year to year, get up at all times of the night and are your servants during the day, and you pay them when you are well or able, the fakir gets the cash, and is gone forever. If your eyes are troubling you in any way, call on Prof. P. G. Daut, the only graduated optician or doctor of refraction in The Dalles, two doors west of Keller's bakery. I am here to stay, and guarantee ayeve work. PROF. P. G. DAUT.

A Clever Trick.
It certainly looks like it, but there is really no trick about it. Anybody can try it who has lame back and weak kidneys, malaria or nervous troubles. We mean he can cure himself right away by taking Electric Bitters. This medicine tones up the whole system, acts as a stimulant to the Liver and Kidneys, is a blood purifier and nerve tonic. It cures constipation, headache, fainting spells, sleeplessness and melancholy. It is purely vegetable, a mild laxative, and restores the system to its natural vigor. Try Electric Bitters and be convinced that they are a miracle worker. Every bottle guaranteed. Only 50c a bottle at Blakeley & Houghton's drug store. 3
