

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the California Fig Syrup Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the California Fig Syrup Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other pas ties. The high standing of the CALI-FORNIA F19 SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives.

Leading institutions throughout the United States and Canada, and have been adopted by Guy's and West-minster Hospitals. London, England. In this Truss the principle hitherto so greatly desired has a last been achieved, that of firmly and constantly holding the rupture with a gentle hand-like pressure.

It does not pass around the hip like other trusses, but over the hips, the silver wire lying in the hollow of side, thereby allowing the free movement of the hips and limbs, allowing the wearer to stride out freely, and doing away with the fear and dread that something will go wrong that usually attends the wearing of other trusses.

Its lightness is featherweight in comparison with other trasses. It is so light the wearer scarcely knows he has anything on, and this is a great comfort, enab-ling the wearer to forget his ailments.
