

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP CO. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP CO. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

Mr. James Blakeley is in the city on his way from Pendleton to Brownsville. Mr. Blakeley is 84 years old and a visit from him is greatly enjoyed by his son, G. C. Blakeley. Mrs. F. N. A Mother's Loss.

The Red Cross Society in Portland has received from Captain Wells, at Manila, a letter written to him by Mrs. Jennie Field, dated Centaur Station, Mo., Aug. 15th, as follows: "Would you be kind enough to inform me if my boy, William Field, is still in your company? I have not heard from him since just before his regiment left for Manila, and now it is important that I should hear what he intends to do in regard to our future home before I make any definite arrangements for the winter." Letters have been written from this city to Mrs. Field, and papers sent which contained notices of the death of her son, for whom the mother made such inquiry. She no doubt fully realizes by this time that her home for the winter must be made without reference to her boy, whose presence cannot cheer it, for he has passed to that home where the seasons do not affect him, but where is one continual spring.

Puddin' Head Wilson Says: "The fool saith, 'Put all thy eggs in different baskets;' which means, scatter your money and your attention; but the wise man saith: 'Put all your eggs in one basket, and watch the basket.'" We have only one basket, and we are watching it in optics. Having made a thorough study of the subject, graduating from three of the best colleges, we are enabled to give you a scientific examination. It doesn't matter whether you buy a \$10 glass or a \$1 glass, or and glasses at all, you get an examination, and a thorough one at that, which alone is worth your time to know your eyes. I fit all cases of eyes, and am permanently located in The Dalles. I am no traveling fake, and best of all I guarantee all work in optics to give you entire satisfaction. Yours to serve, PROF. P. G. They shall be well secured and shall extend at least four feet above the roof of the building to which they are attached, measuring from the point where each chimney or flue passes through the roof, and should such chimney or flue be deemed unsafe to the building or buildings adjoining by the fire warden, they shall be carried up to such height as may be deemed necessary, not to exceed four feet above the extreme height of said building or buildings adjoining.

And notice is further hereby given that all chimneys and flues now in use, contrary to the above ordinance must be removed on or before December 1, '98. GEORGE J. BROWN, Fire Warden. Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free. F. J. CHENEY & Co., Toledo, O. Retains Severe Hernia with Comfort. LIGHT, COOL, Easy to Wear. No pressure on Hips or Back. No understraps. Never moves.

Is Used by Many Leading institutions throughout the United States and Canada, and have been adopted by Guy's and Westminster Hospitals, London, England. In this Truss the principle hitherto so greatly desired has at last been achieved, that of firmly and constantly holding the rupture with a gentle hand-like pressure. It does not pass around the hip like other trusses, but over the hips, the silver wire lying in the hollow of the side, thereby allowing the free movement of the hips and limbs, allowing the wearer to stride out freely, and doing away with the fear and dread that something will go wrong that usually attends the wearing of other trusses. Its lightness is featherweight in comparison with other trusses. It is so light the wearer scarcely knows he has anything on, and this is a great comfort, enabling the wearer to forget his ailments. It can be altered by the wearer to the shape of the body, not being made of hardened steel, and can, with a little judicious and careful bending, be made stronger or weaker in pressure, as desired.
