

BOTH HOUSES ARE REPUBLICAN

Next Congress Will Be Administration Congress.

TODAY'S RETURNS PROVE THIS

Ten Congressional Districts Are Yet in Doubt, But Should They All Go Democratic, the Republicans Would Still Have a Majority of Nine Votes--There Will be Not Less Than 183 Republicans in the House.

CHICAGO, Nov. 10.--Dispatches to the Associated Press up to 11:12 today from 337 out of 357 congressional districts show the Republicans have elected 183, and the Democrats and Fusionists 184. There are still ten doubtful districts.

WASHINGTON, Nov. 10.--Babcock, of the Republican congressional committee, believes this morning that the Republican majority in the next house will reach twenty.

At Democratic congressional headquarters they have no figures this morning. They did not concede the house, claiming the returns from many districts were yet too meager to definitely determine the result. Corruption was charged against the Republican managers by the Democrats.

SENATOR THURSTON'S VIEWS.

Republican Victory an Indorsement of the Administration.

CHICAGO, Nov. 10.--A special to the Times-Herald from Lincoln, Neb., says: On the result of the election United States Senator Thurston says:

"The sweeping Republican victory in the West, including Nebraska, means the unconditional indorsement of President McKinley's administration, the conduct of the war and his foreign policy. The battle was fought on the straight goldstandard platform, and the result, in my judgment, absolutely eliminates free silver as a national issue in 1900. "The entire tendency of independent voters is to return to old party allegiance, with permanent gains to the Republican party from the best elements of Democracy and Populism. This is largely due to the prosperous conditions of agriculture and business generally. The people are satisfied with present conditions.

"In Nebraska the Fusionists early in the campaign practically abandoned the free-silver issue, and for a time attempted to maintain themselves by criticisms of the conduct of the war. Driven from this, they fell back on the McCleary bill. "The Republican campaign was very active and aggressive, and successfully met the three issues in detail. Above everything else, however, was the patriotic determination to stand by an administration whose victories in war and whose far-reaching and successful foreign policy have won the admiration of Christendom."

SWEEPING VICTORY FOR GAGE

Republican Candidate for Governor of California Gets 30,000 Majority.

SAN FRANCISCO, Nov. 10.--Although complete returns have not been received from all the counties in California, the indications are that the majority of Henry T. Gage, Republican, for governor, will be nearly 30,000. His associates on the state ticket are all elected, with the possible exception of Curry for sec-

retary of state, who ran far behind and may have been beaten by Thompson, Democrat.

For justices of the supreme court, McFarland, Republican, and Van Dyke, Democrat, are in the lead, and will probably win, as the precincts to be heard from are not expected to change the relative position of the opposing candidates.

Mayor Pbelan is re-elected in San Francisco by about 3,000 majority, but with the exception of the assessor and three superior judges and two supervisors, the other municipal officers will be Republicans.

The next legislature will have a large Republican majority in joint ballot, insuring the election of a Republican to the United States senate.

SAN FRANCISCO, Nov. 10.--With 756 precincts to hear from, Gage, the Republican candidate for governor, leads Maguire, the Democratic candidate, by 23,826. The Republicans have surely elected all the rest of the state ticket except secretary of state and justice of the supreme court. The congressional ticket will probably stand six Republicans and one Democrat. The Republicans have a clear majority of forty-three joint ballot in the legislature.

A Republican Legislature.

PANKEBURG, W. Va., Nov. 10.--White, secretary of the Republican state committee, says: "The West Virginia legislature is Republican in both branches, the senate by ten, the house by three."

Fusionists Get Governor.

OMAHA, Nov. 10.--Chairman Schneider of the Republican state committee, concedes the election of Poynter, Fusion, for governor by 1000. The balance of the ticket resulted in about the same proportion. The Republicans will have a majority of four on joint ballot.

HEART DISEASE

SOME FACTS REGARDING THE RAPID INCREASE OF HEART TROUBLES.

Do Not Be Alarmed, But Look For the Cause.

Heart troubles, at least among Americans, are certainly increasing and while this may be largely due to the excitement and worry of American business life, it more often the result of weak stomachs, of poor digestion.

Real, organic heart disease is incurable; but not one case in a hundred of heart trouble is organic.

The close relation between heart trouble and poor digestion is because both organs are controlled by branches of the same great nerves, the Sympathetic and Pneumogastric.

In another way, also the heart is affected by that form of digestion, which causes gas and fermentation from half digested food; there is a feeling of heaviness and oppression in the chest caused by pressure of the distended stomach on the heart and lungs, interfering with their action; hence arises palpitation and short breath.

Poor digestion also poisons the blood, makes it thin and watery, which irritates and weakens the heart.

The most sensible treatment for heart trouble is to improve the digestion and to insure a prompt assimilation of food. This can best be done by the regular use after meals of some safe, pleasant and effective digestive preparation, like Stuart's Dyspepsia Tablets, which may be found at most drug stores and which contain valuable, harmless digestive elements in a pleasant, convenient form.

It is safe to say that the regular, persistent use of Stuart's Dyspepsia Tablets at meal time will cure any form of stomach trouble except cancer of the stomach.

Full sized package of the tablets sold by druggists at 50 cents.

LYNCHING RAMPANT IN WILMINGTON

Whitemen Provoke Trouble With Negroes.

FOUR OF THE BLACKS KILLED

Battle Was Precipitated By the Destruction of the Plant of Newspaper Run by a Negro, and in Which Had Been Published an Article Derogatory to the White Women of Wilmington.

WILMINGTON, N. C., Nov. 10.--Events have moved quickly in Wilmington. This morning the white people made good their threats to take vengeance on the negro newspaper which published an editorial derogatory to the white women. At 7:30 o'clock the negroes not having responded to the demand for the removal of the press of the Record, the negro newspaper, Ex-Representative Waddell, chairman of the white committee of twenty-five, repaired to the light infantry armory, where he was to meet the citizens by appointment. Eight o'clock was the last hour of grace for the negroes to reply, and that hour passed without an answer of any kind being received.

Meantime armed men had begun to gather in the street in front of the armory. They carried rifles, shotguns and ammunition, and the assemblage included some of the most solid citizens of the town. At 8 o'clock the procession moved in the direction of the Record printing office. When the negro quarter was reached the negroes could be seen a few blocks away running into their houses.

When the crowd arrived in front of the Record office, the citizens surged into the place and commenced the work of destruction. Furniture was smashed and thrown into the street, floors were gutted of moveables, and the building was fired and destroyed.

Some one turned in a fire alarm, and when the engine responded the crowd discharged their weapons, and a fusillade of gun and pistol shots and shouts filled the air. The affair was soon over, however, and no one was hurt. The publishing house was destroyed, but neighboring property was saved. Manley, his brother and associate, fled and could not be found by the citizens.

Last night was one of terror. There were disturbances in different sections of the city, and the streets were patrolled during the hours of darkness by armed whites. In one instance a number of negroes fired on a street car, but without injuring any one. Mobs of excited negroes gathered at various places and were only dispersed after argument. The police were not in evidence, and made no effort to assist in restoring order. Soon after 11 o'clock news came that reinforcements were needed in the negro section of Brooklyn. The men were sent. Twenty minutes later news came that there had been a collision between the whites and blacks, and that blood had been shed.

As a result of the trouble at Brooklyn, it is believed that the negroes who have been killed will number four. A white man named Mayo, who was shot in the stomach, has since died. Another white man was hurt. The situation is quiet at the scene of the trouble now. The negroes have gone into their houses. Squads of men are halting all negroes and taking their pistols from them.

The demonstration this morning resulted from the action of a mass meeting of white citizens yesterday called to "assert the supremacy of the white men."

THE TERESA DID NOT RUN ASHORE

Views of the Captain of the Steamer Saginaw in Regard to the Report of the Loss of the Vessel.

BOSTON, Nov. 10.--If the Spanish cruiser Maria Teresa is on Cat island, Bahamas, there was little indication of it when Captain Garvin, of the steamer Saginaw, passed there on November 4, three days after she was abandoned.

The Saginaw sailed from Port de Paix, Hayti, on November 3d, and passed within thirty miles of Cat island the next day. Captain Garvin said that when off the island he encountered a fleet of wreckers, or sponge fishermen, who are constantly on the lookout for wrecks, especially after such a gale as swept over the Bahams during the first of the week.

If the Teresa was ashore on the island at that time, every one of those daring fishermen would have flocked around her within a few hours after she had grounded, and would not have gone hunting about the ocean with such a prize so close at hand.
