

SYRUP OF FIGS

NEVER IMITATED IN QUALITY.

THE EXCELLENCE OF SYRUP OF FIGS

is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP CO. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP CO. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

CALIFORNIA FIG SYRUP CO.

Says: "The fool saith, 'Put all thy eggs in different baskets'; which means, scatter your money and your attention; but the wise man saith: 'Put all your eggs in one basket, and watch the basket.'"

We have only one basket, and we are watching it in optics. Having made a thorough study of the subject, graduating from three of the best colleges, we are enabled to give you a scientific examination. It doesn't matter whether you buy a \$10 glass or a \$1 glass, or glasses at all, you get an examination, and a thorough one at that, which alone is worth your time to know your eyes. I fit all cases of eyes, and am permanently located in The Dalles. I am no traveling fake, and best of all I guarantee all work in optics to give you entire satisfaction. Yours to serve,
PROF. P. G. DAUT, the optician.

TAKE WARNING.

Notice is hereby given to all property owners that all flues and chimneys must be constructed in accordance with the ordinance against danger by fires, and if said chimneys and flues are not constructed in accordance therewith, the full penalty will be inflicted on the offenders.
The following is a copy of said ordinance, regulating the building of flues and chimneys:
Section 9. That every chimney or flue that hereafter may be built in any frame building within the city shall have walls of good quality of brick or stone at least four inches in thickness, and be laid in good lime and mortar and be plastered on the inside, and when passing through or near the wood work to be plastered on the outside.
No chimney or flue shall be built which shall have any joint or timber resting on or entering into the same further than will have at least six inches between the end thereof and the chimney or flue. They shall be well secured and shall extend at least four feet above the roof of the building to which they are attached, measuring from the point where each chimney or flue passes through the roof, and should such chimney or flue be deemed unsafe to the fire warden, they shall be carried up to such height as may be deemed necessary, not to exceed four feet above the extreme height of said building or buildings adjoining.
And notice is further hereby given that all chimneys and flues now in use, contrary to the above ordinance must be removed on or before December 1, '98

A Clever Trick.
It certainly looks like it, but there is really no trick about it. Anybody can try it who has lame back and weak kidneys, malaria or nervous troubles. We mean he can cure himself right away by taking Electric Bitters. This medicine tones up the whole system, acts as a stimulant to the Liver and Kidneys, is a blood purifier and nerve tonic. It cures constipation, headache, fainting spells, sleeplessness and melancholy. It is purely vegetable, a mild laxative, and restores the system to its natural vigor. Try Electric Bitters and be convinced that they are a miracle worker. Every bottle guaranteed. Only 50c a bottle at Blakeley & Houghton's drug store. 3

Cures Piles, Scalds, Burns.**AMERICAN SILVER TRUSS.**

It can be altered by the wearer to the shape of the body, not being made of hardened steel, and can, with a little judicious and careful bending, be made stronger or weaker in pressure, as desired.

M. Z. Donnell, Druggist.**Is Used by Many**

Leading institutions throughout the United States and Canada, and have been adopted by Guy's and Westminster Hospitals, London, England. In this Truss the principle hitherto so greatly desired has at last been achieved, that of firmly and constantly holding the rupture with a gentle hand-like pressure.

It does not pass around the hip like other trusses, but over the hips, the silver wire lying in the hollow of the side, thereby allowing the free movement of the hips and limbs, allowing the wearer to stride out freely, and doing away with the fear and dread that something will go wrong that usually attends the wearing of other trusses.
Its lightness is featherweight in comparison with other trusses. It is so light the wearer scarcely knows he has anything on, and this is a great comfort, enabling the wearer to forget his ailments.**The Dalles, Or.****F. S. GUNNING,**
