A GHOST OF WILDCAT DAYS.

Once more the ghost of wildcat currency stalks abroad. It has entered the Georgia legislature in the form of a bill to test the constitutionality of the 10 per cent prohibitory tax on state bank paper money...

The National Democratic convention of 1892 pledged the Democracy to the repeal of the 10 per cent tax. The pledge could not have been more explicit. "We recommend," said the platform, "that the prohibitory 10 per cent tax on state bank issues be repealed..."

The proposed test case will be made up undoubtedly, and in due time the ghost will leave Atlanta for Washington. There is very little reason to fear a decision of reversal. The Federal statute is very brief, admitting of no two meanings...

"Every national banking association, state bank, or state banking association shall pay a tax of 10 per centum on the amount of notes of any person, or of any state bank, or state banking association, used for circulation and paid out by them."

The present supreme court consists of nine members, three only of whom are Democrats, Chief Justice Fuller and Justices Peckham and White. It is very doubtful if any one of the three would favor the resurrection of state bank currency...

A Sure Sign of Croup.

Hoarseness in a child that is subject to croup is a sure indication of the approach of the disease.

If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough has appeared, it will prevent the attack.

Many mothers who have croupy children always keep this remedy at hand and find that it saves them much trouble and worry.

It can always be depended upon and is pleasant to take. For sale by Blakeley & Houghton.

Constipation prevents the body from ridding itself of waste matter. De Witt's Little Early Risers will remove the trouble and cure Sick Headache, Biliousness, Inactive Liver and clear the Complexion.
