

SYRUP OF FIGS

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP CO. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP CO. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

WORLD'S WHEAT CROP.

Report of the Wheat Crop of the World by U. S. Statistician Hyde for this Month, is as follows:

The Russian wheat crop is now put by the minister of agriculture at 417,000,000 Winchester bushels, while the Hungarian agricultural ministry estimates the crop of Hungary at 132,277,200 bushels of sixty pounds. The German crop is estimated at 115,000,000 60-pound bushels; the Italian at 133,371,900 Winchester bushels; and the latest estimate of the Spanish wheat crop is a little less than 55,000,000 Winchester bushels. The entire crop of the United Kingdom is placed at 77,900,000 Winchester bushels. The official estimate for Roumania makes its wheat crop 59,458,904 Winchester bushels. As the area of the more eastern provinces was much larger than in recent years, it seems that the total for Canada will reach the highest of last month's estimates, 63,000,000 Imperial bushels.

On the whole the changes from a month ago increase the total estimate of the world's wheat crop, but the conditions affecting the crops of the southern hemisphere are scarcely so favorable as they were commonly supposed to be when the estimates used in the table published a month ago were made. Australia has suffered severely from drouth, but this is now broken, good rains having fallen throughout Victoria, South Australia and New South Wales. If the Australasian crop should fall short of the Broomhall estimate—the largest—it may in any case equal, or perhaps exceed, the very moderate estimates of the other two authorities announced last month. The Broomhall estimate was 54,000,000, and the Hungarian estimate only 37,000,000 bushels of sixty pounds, while the estimate of the bulletin was 37,000,000 Winchester bushels. Severe frosts have been reported from Argentin...

Discovered by a Woman. Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hammick, of N. C. Trial bottle free at Blakeley & Houghton Drug Store. Regular size 50c and \$1. Every bottle guaranteed.

From New Zealand. REEPTON, New Zealand, Nov. 23, 1896. I am very pleased to state that since I took the agency of Chamberlain's medicine the sale has been very large, more especially of the Cough Remedy. In two years I have sold more of this particular remedy than of all other makes for the previous five years. As to its efficacy, I have been informed by scores of persons of the good results they have received from it, and know its value from the use of it in my own household. It is so pleasant to take that we have to place the bottle beyond the reach of the children.

Yellow Jaundice Cured. Suffering humanity should be supplied with every means possible for its relief. It is with pleasure we publish the following: "This is to certify that I was a terrible sufferer from Yellow Jaundice for over six months, and was treated by some of the best physicians in our city and all to no avail. Dr. Bell, our druggist, recommended Electric Bitters; and after taking two bottles, I was entirely cured. I now take great pleasure in recommending them to any person suffering from this terrible malady. I am gratefully yours, M. A. Hargity, Lexington, Ky." Sold by Blakeley & Houghton, Druggist.

AMERICAN SILVER TRUSS.

Retains Severe Hernia with Comfort. LIGHT, COOL, Easy to Wear. No pressure on Hips or Back. No understraps. Never moves.

Is Used by Many
Leading institutions throughout the United States and Canada, and have been adopted by Guy's and Westminster Hospitals, London, England. In this Truss the principle hitherto so greatly desired has at last been achieved, that of firmly and constantly holding the rupture with a gentle hand-like pressure. It does not pass around the hip like other trusses, but over the hips, the silver wire lying in the hollow of side, thereby allowing the free movement of the hips and limbs, allowing the wearer to stride out freely, and doing away with the fear and dread that something will go wrong that usually attends the wearing of other trusses. Its lightness is featherweight in comparison with other trusses. It is so light the wearer scarcely knows he has anything on, and this is a great comfort, enabling the wearer to forget his ailment. It can be altered by the wearer to the shape of the body, not being made of hardened steel, and can, with a little judicious and careful bending, be made stronger or weaker in pressure, as desired.
