CALAMITY WITH A GOLD LINING

Current statistics in Colorado carry with them a striking moral. The people there are just waking up to the fact that the state was doing well all through the period when the voice of calamity was heard from every stump in the state.

In 1892 Colorado mined gold to the value of \$5,539,021 and silver worth \$17,634,944. Last year its gold production was \$19,579,637 and silver \$13,000,000.

Colorado is coming around politically. The Republican vote doubled at the recent election, and no wonder. The free coinage vote, though bolstered up by a fusion of numerous parties rivaling Mrs. Jarley's wax works, fell off 66,879.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity.

treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work.

Two Pointed Questions Answered.

What is the use of making a better article than your competitor if you can not get a better price for it?

Ans.—As there is no difference in the price the public will buy only the better, so that while our profits may be smaller on a single scale they will be much greater in the aggregate.

How can you get the public to know your make is the best?

If both articles are brought prominently before the public both are certain to be tried and the public will very quickly pass judgment on them and use only the better one.

This explains the large sale on Chamberlain's Cough remedy. The people have been using it for years and have found that it can always be depended upon. They may occasionally take up with some fashionable novelty put forth with exaggerated claims, but are certain to return to the one remedy that they know to be reliable, and for coughs, colds and croup there is nothing equal to Chamberlain's Cough Remedy.
