M. 3rd V.; W. E. Garretson, G. M. 2nd V.; J. W. Blake, 1st V.

> Many letters were received from the boys at Manila today, most of them telling of the monotony of life there. It will perhaps seem less monotonous when it is learned that they may soon return home. One letter says: "We have all chipped in and ordered a big Christmas dinner. When you are enjoying yours, imagine us devouring ours with the thermometer 100 in the shade."

And now we are inclined to believe that the report published in the Belle-Dalles young man to that city was not Tonight at the hall over Brown's cozy little cottages on Washington street store, the Smith Bros, will give a pleas- to one of our society boys. Dr. Hollister, who arrived from Portland last night, informs us that it was found necessary to perform an operation on Fred Burchtort, and so serious was it in both senate and house have received that two hours and a half were conresolutions from the Portland chamber sumed in operating. It appears that at the time of the fall his skull was mashed slightly, causing it to press on the orain, and Fred was afterward subject to pains in the head and fainting spells. The surgeons removed a small piece of bone, which was the chief source of the trouble, and from accounts received today he is getting along nicely. While there the doctor called on James Blakeney, and says he seems very hopeful and improving as fast as can be expected in such cases.

There seems to be great fatality among the dogs in the West End of the city, which it is claimed is caused by some one who has determined to poison every animal which comes in his reach. This morning Dick Gorman's black Spaniel, "Coley" (not Dewey) turned up his Commencing tonight, Dec. 22, and little black toes and launched his bark until further notice, the switch engine for dog heaven. Being informed of his friend's demise "Augustine" Wilson at once started for the scene to deliver the funeral oration, and arriving informed Dick that he had "come to bury Coley not to fight him." However, Augustine, as is his wont in attending church, weddings and funerals, was late and another dog got in ahead of him in
