There's a Christmas Present

For each lady, gentleman or child
visiting our store

On Saturday, December 24th.

More than a month ago we decided to make this Christmas memorable, and placed an order for novelties to be used for that purpose. We are sure you will be pleased with what we have selected for you. For the ladies we have something dainty; for the gentlemen something ornamental as well as useful, and for the children we have prepared what we think will please them most.

**We wish you, one and all,
A Merry Christmas.** 

PEASE & MAYS
