

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

A Glad Christmas tide.
(Continued from Third Page.)
school, parents and friends who had gathered to hear the singing and either receive or take enjoyment in witnessing the satisfaction of the little ones as they were each given something from the tree. No presents were distributed except to members of the school, none being slighted. Recitations were given and the singing by the male quartet was particularly good.
Perhaps the happiest of all occasions in the city was that held at the Salvation Army barracks, where were gathered all the needy of the city, of whom the Savior said "inasmuch as ye have done it unto me," therefore it was not surprising that all were joyous. The hall was crowded, and every child or grown person was the recipient of some gift, either toy or necessary article of clothing. A well-chosen program, literary and musical, was rendered and a general good time was had.
Another glad time was had when the members of the Junior League met at the Methodist church Saturday afternoon, bringing with them children who it was thought would not be liable to have any of the Christmas joys of other homes. Each child had previously brought presents intended for these, and were doubly happy in so doing as they joined in Christmas songs. Their superintendent, Miss Randall, had arranged trees, and bags of candy and nuts were given every child. It was a very merry time for all.
For a number of years the Catholic people have dispensed with midnight mass, but this year it was resumed again, when a large crowd attended, and the singing was unusually good, while the remainder of the service was appropriate to the occasion.
The members of the Methodist Sunday school will hold their jubilee on Friday evening before New Year, the nature of which is to be somewhat mysterious to the children.
In contrast to years gone by when at Christmas tree exercises some would be laden down and other little ones fail to receive any recognition, is the custom so general nowadays of making it a point to limit the number of times when one person's name shall be called, and allowing none to go away without carrying some gift with them. Then the blessing which is to be received in giving is being emphasized more strongly each year as the little ones are taught to remember the needy and thus make the Christmas time one of happiness for all.
