

SYRUP OF FIGS

THE EXCELLENCE OF SYRUP OF FIGS

is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP CO. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP CO. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not grip, nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

Christmas Joya Still Continue.

The postponed Christmas exercises of the Methodist Sunday School which were held last evening in the auditorium

of the church, were quite novel and greatly enjoyed by the children. A large tree had been decorated and from it extended strings which had been woven into a complete spider web reaching to the lecture room and all through the choir loft, at the commencement of the strings were the names of the younger pupils of the school, who were required to unwind the web until their presents were discovered at the other end of the string. It was feared that much confusion would be engendered and the web became a mass of tangles. However, so orderly were the children, that with the assistance of their teachers each one was soon in possession of a toy or book.

At the commencement a short program was rendered, consisting of singing by the school, an address by the pastor, a song by the infant class and recitations by Geraldine Kelly and Verna Witham. Altogether, despite the fact that Christmas was in reality over, its joys were still theirs and the children were made very happy.

After the exercises at the church a number of Epworth Leaguers adjourned to the home of Rev. and Mrs. Wood and spent the remainder of the evening most pleasantly.

INJURIOUS TO SALMON

The Lakme's Lime Must Not Be Dumped Into the Columbia.

ASTORIA, Or., Dec. 29.—Captain Klitjaardt of the steamer Lakme, has been notified by the local authorities not to permit any of his cargo of lime to be discharged into the river. He is helpless in the matter as his vessel is now in the hands of the underwriters, pending an examination as to her condition. City Attorney Allen took the initiative by instructing Chief of Police Hallock and Harbor-Master Reid to notify Captain Klitjaardt that the laws of the city and state declare it unlawful to dump any matter in the river that is injurious to the fish, and that lime is well known to be fatal to young salmon, and that no salmon will run near where lime is in a stream. City Attorney Allen said this evening that his action was based on the law and information from fishermen of many year's experience, who told him that it was an old trick of opposition trappers or gillnetters who desired to injure a trapman to drop some lime in front of a trap and no salmon would enter it. The amount of slack lime now in the Lakme, if thrown overboard, is said to be enough to kill all the young salmon now in the river below here, and to prevent any from coming for several months.

The fire in the hold of the Lakme has been extinguished, and she is now waiting an examination.
