Joint Installation.

Last night Temple Lodge, No. 3, A. O. U. W. and Fern Lodge No. 25, D. of H., held joint installation of officers. The exercises opened with a musical quintette, by members of the Guitar and Mandolin Club, followed by a piano solo by Miss Pearl Grimes. The following officers of Temple Lodge No. 3, were installed by Deputy G. M. W., C. F. Stephens: P. M. W., J. M. Filloon; M. W., F. Lemke; recorder, J. F. Haworth; financial secretary, W. S. Myers; rcc., C. L. Phillips; guide, H. Hansen. A vocal duet by Mr. Crandall and Mrs. Groat, after which Miss Hattie Cram delighted the audience with a pretty solo, and was compelled to respond to a hearty encore. The installation of officers of the Degree of Honor followed, with Mrs. Blakeney as installing officer and Mrs. J. M. Patterson pianist. The following officers were installed: P. C. of H., Mrs. M. V. Douthit; O. of H., Mrs. J. McArthur; L. of H., Mrs. Zilla Sterling; recorder, Mrs. C. F. Stephens; Fin. Miss Ida Burehlorf; rec., Miss Nettie Longmire; U., Mrs. K. Kretz; O. W., Mrs. M. Halpapp. After a vocal duet by Mr. Dawson and Mrs. Stephens, refreshments were served, and a pleasant evening spent and it was with reluctance that the members left the comfortable hall and went out to face the storm, and walk home, for, on account of the great depth of snow the street cars were unable to run, and the electric light plant, which furnishes our street lights, was "fritz" up, but with a "counselor" to guide us we reached home in safety.

### WAYSIDE GLEANINGS.

A. A. Bonney is in from Tygh. A. E. Lake, is a visitor from Moro. The weather report for tomorrow says "occasional" snow. We knew that without being told.

Mail for train No. 1, west bound, leaving here at 3:20, must be in the postoffice by 2:15 p. m.

Representative A. S. Roberts and family left this morning for Salem, where the legislature convenes Monday.

Mr. W. C. Gibson, agent for the Irwin Hudson Co., of Portland, accompanied by his wife, spent yesterday and today in the city.

All members of Cedar Circle, W. of W., are requested to be present tonight, (Friday eve.), as there will be important business to transact. By order of Guardian Neighbor.

Monroe Grimes, who made a trip to 15-Mile yesterday, informs us that the snow has drifted badly in places along the road, but that coming nearer the city the sleighing is very good.

Mr. H. Glenn arrived home last evening, accompanied by Miss Edna, who, we are sorry to say, is suffering from a severe case of inflammatory rheumatism, making it almost impossible for her to travel.

Senator E. B. Dufur will leave tomorrow for Portland. On Sunday he will go on to Salem to attend the legislature. He will be accompanied by Edward Baldwin, whom he has employed as his clerk this session.

Someone says that old gag about Paul Mohr's railroad on the north side of the Columbia is simply one way of notifying the members of the Oregon legislature that that body is about to convene in regular biennial session.

Smith Bros. have secured the Baldwin opera house in which to hold their Saturday evening parties, beginning tomorrow night. This is an excellent place for dancing, the floor having just enough spring to make it enjoyable.

Have you read Pease & Mays' ad? If not, you'd better peruse it at once, for failing to do so, you'll miss the opportunity of your life to secure goods at unheard of prices. Now is the accepted time to make your purchases. Call at once and see the bargains.

In giving an account of the council meeting Wednesday evening we omitted to mention general ordinance No. 298, regarding licensing electrical slot machines. The ordinance, requiring a semi-annual license of \$50, was put on its final passage, and passed unanimously.

Those of the friends of Mrs. Chas. Haight, who had hopes that she might be restored to health, will learn with deep regret that she is very ill, again experiencing hemorrhages of the stomach, from which it is feared she cannot recover. Her sister in the East has been telegraphed for, and it is hoped will arrive as soon as possible.

The snow came down with a vengeance yesterday evening and most of the night, five inches having fallen, with .42 of an inch of moisture. Sleighting is fine, and our citizens are making the most of it. A crowd of young people who were out last night, made the town lively with singing, tooting of horns, and a general good time.

As was expected, a blockade occurred on the O. R. & N. road at Bonneville, between here and Portland, yesterday. Freight train No. 23, west-bound, was the first to give up, and the passenger which is due here at 11:45 arrived about 6 o'clock this morning. It is learned that the road is now clear, but if the snow continues other blockades will certainly be in order.

This month's issue of the Cosmopolitan contains an article by Miss Jennie Lown, regarding the Memalooee islands in the Columbia river. Miss Lown is a sister-in-law of Rev. Sutcliff, formerly rector of the Episcopalian church here, and will be remembered by her many young friends here as being a very bright

and genial companion. These articles by visitors to our state are splendid achievements for Oregon.

The Portland Red Cross Society has received a letter from the nurses sent from Portland to Manila, in which it acknowledged the receipt of the first \$400 cabled over for the benefit of the Oregon regiment. The money was to be used at once to outfit a quarters hospital, convenient for the Oregon men, where, when sick, they could go and have care from Oregon nurses, and be accessible to their comrades, who could assist in giving them needed care.

Mr. Emil Schanno received a letter this morning from Spokane insisting on his attendance at the Fruit Growers Convention which is to be held at Spokane about the 26th of this month. While he is anxious to attend, claiming that the meetings in Spokane are very interesting and that the people there are very enthusiastic on this subject, he finds it impossible to attend the meeting there and at Corvallis, which occurs about the same time, and is he compelled to be at the latter.

The ever enterprising firm of Pease & Mays have made another aggressive move and today purchased the clothing store of John Hertz. It is the intention to move the grocery department into the building now occupied by I. C. Nickelsen, who will move his goods to the present location of Mr. Hertz, placing the gent's furnishing goods in the room vacated by the grocery stock, and using the east side of their main building for a shoe department. This will add greatly to their present commodious store, and give them ample room for their entire stock.

Officer H. H. Hawley arrived from Portland on the delayed train this morning and left on the west-bound, having in charge the three runaways. The oldest boy, Fred Matson, he says is a regular little tough, having caused much trouble before. He will be sent to the reform school, while the two younger will be taken to the Boys and Girls Aid Society. It is said that neither of the boys are innocents, having for a time lived in a little shanty on the river front,

and were veritable little tramps. Our citizens became quite interested in the lads, deeming it a deplorable sight to see boys of that age adopt such a course.

Last night at Harmony Temple No. 12, the following officers were installed for the ensuing term by Miss Minnie Gosser acting as installing officer assisted by Mrs. Susie Phillips and Ethel Riddell: P. C., Lillie Gavin; M. E. C., Viola Rorden; G. S., Belle Berger; E. J., Julia Driver; M. of T., Nellie Wau; M. of R. and C., Minnie Gosser; M. of F., Susan Walters; P. of F., Elvina Moore; G. of T., Edna Clarke; trustee, Vina Douthit. After the installation a delicious lunch was served in the banquet hall by the new officers, after which all joined in a social dance. The feature of the evening was the cake walk by Mrs. Waud and Patterson. Though some of the sisters were sick they were not forgotten, and all went home feeling very happy and it was a great success.

A. A. Bonney, stock inspector for Wasco county, presented his report to the county court today. He reports the number of sheep in the county 146,580, which valued at \$2.50 a head, will make the total valuation \$366,450. The average expenditure is about ninety cents a head, making a total disbursement of \$131,922 per annum. One hundred herders are employed, their wages amounting to \$54,000 a year. About 35,000 head of sheep and lambs have been sold out of this county since October 1st, bringing about \$2.35 ahead, making an income of \$82,250. This report gives a splendid showing for the industry in this county, and should be an incentive to the state to give it every protection necessary. Other stock throughout the county is found to be in good condition, and it is not thought the snow will effect them to any great extent.

### In Olden Times

People overlooked the importance of permanently beneficial effects and were satisfied with the transient action; but now that it is generally known that Syrup of Figs will permanently overcome habitual constipation, well informed people will not buy other laxatives, which act for a time, but finally injure the system. Buy the genuine, made by the California Fig Syrup Co.
