AN OLD RECORD. Jurors Summoned in 1856, Among Whom Were Well-Remembered Citizens.

In looking over and classifying the old records at the court house, many very interesting documents have been discovered, which call to mind events long past and gone, and revive memories of pioneer Dallesites, who have years ago passed to the beyond, or in a few cases are still living, but have taken up their residence in other places, perhaps occasionally thinking of early days in The Dalles and of friends who still reside here.

Yesterday we stepped into the court room and found Judge Mays and J. O. Mack perusing a list of grand jurors and petty jurors, which had been drawn on the 21st day of June, 1856, when Oregon was still a territory. Among the forty-nine jurors drawn we notice the following who still reside in The Dalles: Geo. Snipes, John Irvine and M. M. Cushing.

To those of us who cannot realize what great changes have taken place in The Dalles since the early residents came here, it is extremely interesting to listen to the recital of events which took place at that time and during the years which have followed. Many younger ones, however, remember well when they were just tall enough to reach up to the delivery window when the postoffice was in the old Waldron drug store at the foot of Washington street, and ask Dr. Craig if there was anything for "me." He always had a smile for them, and was loved by all the little ones for his kindly treatment. Then they remember when Mr. O. Humason died, of how the children were impressed by the tolling of the bell, and of the immense funeral procession which followed his remains to the cemetery, and of how all the city mourned.

We have all heard time and again of the dreadful accident when the "Brother Jonathan," on its way between Portland and San Francisco, on the 30th of July, 1855, ran into a rock near Crescent City, and was lost with nearly all on board, and among the passengers were Wm. Logan and wife, father and mother of Dr. Logan. Vic Trevitt was well known to all later residents, and many attended his funeral, when the remains were taken down by boat and buried on Memorial island, in deference to a request made by him many years before.

Most of the others whose names were mentioned, died in this city within the memory of our readers, the last death, perhaps, being that of Daniel Bolton, father of S. Bolton.

We have still a few of the early settlers among us, but year by year the list lessens, and soon none will be left to tell of personal experience at Fort Dalles.

School Exercises at Wamic.

A more enjoyable evening could not be desired than was spent at the Pine Grove school house Friday evening before Christmas. Miss Mamie Driver, teacher of the school, gave an entertainment which furnished amusement for the audience, numbering about 150, for four hours, music being furnished by the Woodcock orchestra, which made the time between scenes pass quickly.

The entertainment consisted of recitations, solos and dramas. A solo rendered by Claud Roberts, "My Father was a Soldier on the Maine" was very good. A hoop drill by eight girls dressed in blue, carrying each a hoop in pink with a pink bouquet and bow of ribbon, keeping time to music, was one of the prettiest selections of the evening and was highly applauded. A song "Merry Christmas Bells," was well rendered, and many other selections that gave great credit to the teacher who trained the scholars who took part and made it the most pleasant evening enjoyed in Wamic for some time. An admittance of fifteen cents was charged for the purpose of getting money to continue the school. The receipts were \$19. On Monday after Christmas a dance was given by the district for the same purpose, which was well attended. Fifty-four dollars was received, making a total of seventy-three dollars for the district, which will make Pine Grove school equal to any district school in Wasco county. U. T.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free. F. J. CHERNEY & Co., Toledo, O. Sold by Druggists, 75c. 6-10

A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Groton, S. D. "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in Consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God I am saved and now a well and healthy woman." Trial bottles free at Blakeley & Houghton's drug store. Regular size 50c and \$1.00. Guaranteed or price refunded.

How to Prevent Pneumonia. You are perhaps aware that pneumonia always results from a cold or from an attack of La Grippe. During the epidemic of La Grippe a few years ago when so many cases resulted in pneumonia, it was observed that the attack was never followed by that disease when Chamberlain's Cough Remedy was used. It counteracts any tendency of a cold or La Grippe to result in that dangerous disease. It is the best remedy in the world for bad colds and La Grippe. Every bottle warranted.
