

## WAYSIDE GLEANINGS.

The many friends of Mrs. C.W.Haight will be pleased to learn that she is reported some better today.

Joe Robertson was out with his fourin-hand today, and took the sisters and their pupils for a sleigh ride.

Instead of being compelled to get your mail in the postoffice at 2:15 for train No.1, you will be given till 2:50.

Harry Harkness, who has held a position as clerk with John Hertz, will now be employed in the clothing department of Pease & Mays.

Marshal Lauer succeeded today in removing the obstruction in the court street sewer, and property owners whose cellars were flooded are thankful.

The proprietors of the differedt meat shops in the city have entered into an agreement to close their respective places of business at 7 o'clock each evening.

There will be a regular meeting of the Elks tonight and it is desired that all members who can possibly attend, will do so, for business of importance will come before the lodge.

House was torn up for some distance by the flanger this morning, a contrivance to clear the snow from next the rails on the inside of the track.

The board of directors of the Comcutter or rig up a sleigh of any kind was at the club rooms, when the following

> officers were elected: President, G. C. Blakeley; vice-president, J. F. Hampshire; secretary, H. M. Beall; treasurer,

W. H. Wilson. The only change made in the list of officers is in vice president, which place was filled last year by H.

M. Beall, who was also secretary. His efforts for the welfare of the club have been untiring, and are greatly appre-

ure, is due its success. At the meeting J. F. Hampshire was also appointed a committee of one, to confer with the entertainment committee in regard to giving an entertainment or reception in species is the highest priced now taken the near future.

One has but to look at the cover of the New Years' edition of the Salem Statesman, which reached us this morning, to be assurred that there is a treat within. The view of Mt. Hood thereon contained is one of the prettlest we have ever seen, while below it is a very pretty cut of an Oregon river. At the bottom of the cover is a bird's eye view of Salem, which though a pretty little' scene, does not do justice to the city, which is noted gave a farewell party to Miss Grace for its beauty of situation. The paper Scott of Corvallis, who has been spend-

contains twenty-eight pages descriptive ing the holidays with the Misses School-of Salem and other towns in Marion ing. Rees buildings and sketches of some of the during a snow storm the driver missed the road between Prineville and Bake Oven and was lost for several hours. Fish Commissioner McGuire will ask the "flour of some family" addressing the news; but 'twas only the store family" addressing the news; but of the store family addressing family family family family family addressing family fami officials of the department of state,

League meet at the regular hour in the are to be made to increase the output of fry the coming season. Last season was the first year artificial mercial Club held a meeting last night propagation had been tried with this species on the upper coast. A hatchery belonging to Thomas Brown and Geo. Broughton, on Sandy river, was used for

> the purpose. The expense was defrayed by private subscription, and about on million steelhead fry was turned into the waters of the Columbia.

Fish Commissioner McGuire has already taken the matter up, and expects to make satisfactory arrangements with ciated by its members. Indeed, no the men owning the hatchery to again better officers could be found in any or. carry on their work this winter. He has ganization than those who serve the npt yet seen the other members of the club, to whose energy, in a great meas- commission, but feels sure they will heartily co-operate with him in this

matter. The scarcity of steelhead salmon has caused the price to go up, until this but of the river.

The steelheads spawn in the late winter and early spring, while the chinooks spawn in the fall. The heavy freshets are very destructive to the steelhead spawn, and, for that reason, artificial propagation is absolutely necessary to increase the output.

guests. Then all joined in hoping that Miss Scott's journey would be enjoyable. Those present were: Misses Grace Scott, Martha and Bergie Schooling, Effie and Vesta Bolton,/Lillie Seufert, Lena and Valesca Liebe, Lizzie Schooling, Cora Joles, Messrs. Arthur Seufert, Will Michelbach, /James McCowan, Willie Frank, Alfred Huott, Chris Schwabe, Irwin Parkine, Walter Ferguson, George Ferguson, Jack Pruyne, Mr. and Mrs. J. R. Rees, Mrs. C. M. Alden.

## Patterson is Grand Master.

Still A. W. Patterson continues to receive honors in Washington. A recent dispatch from that city says:

"A. W. Patterson, of Oregon, clerk of the house committee on the irrigation of public lands, was recently elected grand master of the Alpha Eta chapter of the Kappa Sigma fraternity, of this city. Shortly after the election of Mr. Patter-Kappa Sigma fraternity, of this city. Shortly after the election of Mr. Patterson, his fraternity chapter, composed of students of the Columbian university, gave its annual banquet at one of Washington's hotels. The entire affair was under the management of the Oregon man, who acted as toastmaster on the occasion, and introduced the several speakers. The event proved one of the most successful ever given by the fraternity men of the Washington institution. William B. Turner, of Oregon, a clerk in the senate secretary's office, is also a member of this fraternity, and was in attendance at the banquet. The Kappa Sigma fraternity boasts of having some of Washington's brightest young men among its number, many of whom are sons of prominent Americans of the
