Is not in chewing the string, any more than the quoting of low prices is a proof of a reduction in the cost of goods, to the consumer; but the quoting of prices has proven two things conclusively-

FIRST---That the public read our advertisements. SEDOND --- That they believe what they read.

If the public will continue the reading of these quotations they will find seme new things every few days u at will surprise them, as all Winter Goods must be cleaned up preparatory to the great change we are going to make in our numerous departments. REMEMBER that all goods previously quoted for this Clearance Sale remain the same price until closed out or the sale is discontinued.
