EASTERN STAR INSTALLATION.

A Very Enjoyable Meeting—Mrs. Crossen and Mrs. Myers Were Honored.

Tuesday evening, the 10th, being appointed for installing the officers of Columbia Chapter No. 33, order of Eastern Star, the members met in regular form and installed the following officers: Emilie Sanders, W. M.; Chas. Deitzel, W. P.; Almira Burget, Asso. M.; Mary Deitzel, Treasurer; Salina Phirman, Con.; Nettie Wood, Asso. Con.; Mary S. Meyers, Chaplain; Mary Blakeley, Marshal; Maud Clark, Adah; Belle Rinshart, Ruth; Lillian Johnson, Esther; Bertha Glehan, Martha; Sallie Clark, Electa; Anna Blakeney, Warder; Nettie Geisendorfer, Organist; W. S. Meyers, Sentinel.

A pleasing feature of the evening followed the installation, when in a few well chosen words Mrs. Myers, in behalf of Columbia Chapter, presented Mrs. Alice Crossen, the retiring worthy matron, a past matron's pin of gold, handsomely engraved, and showing the points of the star in emblematic colors. Mrs. Crossen responded in a brief but tender manner, accepting the offering as one of love and free will. The gift was quickly reciprocated in a felicitous manner by Mrs. Crossen, who turned and presented Mrs. Myers with an elegant bouquet from the officers of the chapter, as a birthday souvenir. Mrs. Myers was wholly taken by surprise, but with moist eyes thanked the sisters for their beautiful emblematic gift.

Next thing in order was the banquet. All being in readiness, the line of march was quickly formed keeping step to the grand march which was well played on the organ by Nettie Geisendorfer. The tables and hall were as near like fairy land as they well could be. Flowers and palms were used with good effect. Prof. Ryan, Clinton Alden and E. Parkins surprised the members by filing the room with sweet melody while the good things were enjoyed to the utmost.

In the midst of the feast the worthy matron called it a birthday party, and placed an immense cake with a star of the first magnitude in the center, before Mrs. Myers, begging her to cut the birthday cake. Everybody was surprised, and Mrs. Myers in particular, who will always remember this birthday with love and the kindest wishes for the sisters and brothers of Columbia chapter. George Blakeley was toast master and much merriment followed.

Very many complimentary remarks have been passed in regard to the answer to the toast "Our Grand Chapter" given by Mrs. Myers. It was said to be one of the most eloquent and best delivered ever given in the city. She closed with the following quotation:
Let us mix the seasons with the golden hours,
Till each man finds his own in all men's good,
And all men work in noble brotherhood.

CATARRH OF THE STOMACH

A Pleasant, Simple but Safe and Effectual Cure For It.

Catarrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating sensation after eating, accompanied sometimes with sour or watery risings, a formation of gases, causing pressure on the heart and lungs and difficult breathing, headaches, sickle appetite, nervousness and a general played out, languid feeling.

There is often a foul taste in the mouth, coated tongue and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, or thoroughly digested before it has time to ferment and irritate the delicate surface of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harlanston the safest and best treatment is to use after each meal a tablet composed of Diastase, Aseptic Pepsin, a little Nux, Golden Seal and fruit acids. These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets, and not being a patent medicine can be used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals.

Mr. N. I. Booher, of 2710 Dearborn st., Chicago, Ill., writes: "Catarrh is a local condition resulting from a neglected cold in the head, whereby the lining membrane of the nose becomes inflamed and the poisonous discharge therefrom passing backward into the throat reaches the stomach, thus producing catarrh of the stomach. Medical authorities prescribed for me for three years for catarrh of stomach without cure, but today I am the happiest of men after using only one box of Stuart's Dyspepsia Tablets. I cannot find appropriate words to express my good feeling. I have found flesh, appetite and sound rest from their use."

Stuart's Dyspepsia Tablets is the safest preparation as well as the very simplest and most convenient remedy for any form of indigestion, catarrh of stomach, biliousness, sour stomach, heartburn and bloating after meals.

Send for little book, mailed free on stomach troubles, by addressing Stuart Co., Marshall, Mich. The tablets can be found at all drug stores.

O. D. Taylor Found "Not Guilty."

A Saginaw, Mich., paper has an extended article concerning a case which has just been tried in the court there, in which O. D. Taylor, of this city, was defendant. On account of its length it is impossible to give in full the statement of the judge to the jury, which no doubt would have been interesting to our readers: The paper says in part:

The case of the People vs. O. D. Taylor in which Joseph Seemann was complainant, was brought to a close about 2:30 o'clock yesterday afternoon, when Judge Wilber directed a verdict of "not guilty." This case was taken up Tuesday afternoon and proved as short as the people had promised it would be. There were but two questions involved and the facts established by the testimony presented few contradictions. The law points were argued yesterday morning and the whole case is concisely and accurately summed up in the statement made by Judge Wilber, in which he gives his reasons for directing a verdict.

In closing the judge said: "It seems beyond all controversy that a jury would not be justified as a matter of law in finding that Mr. Taylor intended to defraud him by making that representation; and it seems equally clear that Mr. Seemann could not have been defrauded by this representation; and for these reasons I direct you to render a verdict of not guilty. The clerk will receive the verdict."

The result of this case was very gratifying to Mr. Taylor and his attorneys and to the personal friends, several of whom were in the court room.

How to Prevent Pneumonia.
You are perhaps aware that pneumonia always results from a cold or from an attack of La Grippe. During the epidemic of La Grippe a few years ago when so many cases resulted in pneumonia, it was observed that the attack was never followed by that disease when Chamberlain's Cough Remedy was used. It counteracts any tendency of a cold or La Grippe to result in that dangerous disease. It is the best remedy in the world for bad colds and La Grippe. Every bottle warranted. For sale by Blakeley & Houghton, druggists.

La Grippe is again epidemic. Every precaution should be taken to avoid it. Its specific cure is One Minute Cough Cure. A. J. Shepard, publisher Agricultural Journal and Advertiser, Eldon, Mo., says: "No one will be disappointed in using One Minute Cough Cure for La Grippe." Pleasant to take, quick to act.
